B. & H. Trading Stamps Given with Cash Purchases

## Just A Talk.

There probably isn't a reader of this newspaper who will not want to buy some house furnishing article or other between now and the holidays. So, 'tis quite proper for a store that feels quite sure it is better able to serve you than any other to have a word with you at about this time.

As things go in Walla Walla (and they certainly go to suit us) the DAVIS-KASER store has made probably the greatest success of all stores here. At least, we have tried hard and earnestly to do everything in the world that would ordinarily bring success to a store.

The rapid—almost phenomenal—increase in our business would indicate that we are at least pleasing a great majority of the buying public; and, for this we feel highly gratified and thankful. Our customers always come the second, and the third time, and this of course, is the basis of our success.

We want to, therefore, talk to those who have not tried trading here as yet. We want to say to you, TRY. If we do not make your trading both pleasant and profitable we incur a great business risk. At least, that is the way we figure it, for to have a disappointed customer is about the worst thing that can happen to a store. You can rest assured, therefore, that you will like your trading here when you try. All DAVIS-KASER patrons are more than satisfied—they are pleased.

There will from now till the holidays be a whole lot of valuable, sensible store news from here. It will be news that thrifty and thinking housewives will appreciate and profit by. We will make it as interesting as possible. We'll be right glad—and so will you—if you accept this invitation to become a DAVIS-KASER Customer.
