For health and happiness—DeWitt's Little Kernal Risers—small, gentle, easy, pleasant little liver pills, the best made. Sold by Palace Drug Co.

Electric lights were installed in the Christian church this week. Heretofore the lighting system employed at the church was a high pressure gasoline plant.

Hand bills are out announcing a dance to be given Friday night by the ladies of Weston and vicinity. Phillips orchestra has been engaged to furnish the music.

Telephone communication is again established after being out of commission for several days on account of electrical induction from power wires, due to the recent storms.

The Margaret Bonifer estate has been appraised at \$13,695 by Joseph Hodgson T. A. Taggart and B. B. Richards, the appraisers. The estate consists of 160 acres of land and personal property.

In addition to the local telephone system being badly demoralized, the long distance line between this city and Meacham has been out of commission. Three men have been engaged this week in undoing the tangle.

Mr. and Mrs. E. B. Harris, who arrived home Wednesday from LaGrande, report sixteen accessions to the church during their series of meetings there. Bad weather prevailed continually during their stay there, this proving a drawback to the meetings.

McFadden the carpenter, has long ago established the reputation of being a first-class workman. But it is only recently that his workmanship in mission furniture and cabinet work, has been brought to notice. An exceptionally fine testimonial to Mr. McFadden's skill may be seen at the First National Bank.

Chas. Norris is in receipt of a letter from M. S. Young of San Bernardino California, which conveys the announcement that Zalock 2:05 the famous pacing stallion is to be brought to Walla Walla this year. This will be welcome news to many horse owners, who are interested in the breeding of light harness stock.

Henry Miller succeeds Elmer Connick as floor foreman of the Preston-Parton Milling company plant in this city. Mr. Miller, who was formerly in the employ of the mill company began his new duties Monday. Mr. Connick came here from Waitsburg. It is not known what his intentions for the future are.

Mr. and Mrs. G. W. Hansell returned home Tuesday evening from their California trip. Mr. and Mrs. Hansell met many Umatilla county people in the sunny Southland. One in particular who the Press had lost track of was found by Mr. Hansell running a grocery store. He met up with old "Scrib" in that capacity, and he says that the old fellow is enjoying good health and is prospering in business. Glad to hear it.

Eighty-five cents per bushel for Dale wheat was the price paid by Kerr-Gifford & Co. in Pendleton yesterday morning to C. H. Campbell, owner of the Best Crop. The sale consisted of ten thousand bushels of wheat and the price paid is said to be the record price of the present season. The wheat is said to have been above the average and the local buyers are united in declaring that the price is above the ordinary quotations, said to be about 80 cents.

Arrangements have just been completed by Mr. Spencer of the Athens opera house for the appearance of the well known Curtis Comedy company, for all of next week, beginning Monday night. The company is one of the best known in the west and the

plays presented will be found strong. Miss Leota Howard is said to be a finished actress and in her supporting cast will be found many well known dramatic people. A first class band and orchestra will be found a pleasing feature of this large organization. Seats will be on sale at Dell Bros. at 3 p. m. Monday.

The Pendleton Tribune is authority for the statement that ten pupils taking the 8th grade examination passed and are entitled to diplomas. Of these Zola Ferris of Athens is one, and Anna Johnson and Hattie Pinkerton, of District No. 30, near Athens, passed, the latter scoring an average of 90.2-9, the highest average of the examination. Miss Johnson and Miss Pinkerton are students of Mrs. Dobson, who teaches in District No. 30 and who has been eminently successful in 8th grade work.
