Mr. Froome has at this time in his garden fine crisp lettuce, radishes, carrots, cabbages etc.

The supreme court has reversed the decision of the circuit court in the Zeuske land case, wherein Emma Zeuske was awarded land alleged to have been purchased from August Zeuske by her husband, Ed Zeuske, who was killed in an accident near Weston. August Zeuske the father appealed the case, and the supreme court decision is in his favor.

Charlie Brown, as well as some other people, has learned that it is best not to take off the bridles from horses in the harness. Trying this experiment Wednesday evening, he was astonished to see his gray nag start toward home at full speed. The delivery wagon was upset and a wheel smashed. Mrs. Estes, while endeavoring to stop the mare was knocked down, but received no serious injury. Charles will hereafter unhitch before removing the bridle.

East Oregonian: That the Umatilla-Morrow district fair is to be carried out on a larger scale this year than last is indicated by an order sent out yesterday for an additional section to the big tent used to house the livestock and poultry exhibits. The tent, though larger last year than the year before, was crowded to overflowing with the amount of interest being manifested it is evident that 50 per cent more room will be required this time. This has made necessary the order for the additional section.

Christian Church Announcements. We are glad to see an increase in the attendance again after the harvest lull. We hope to see many more faces back next Sunday that we have not seen for some time. Regular services both morning and evening, Sunday school at 10. Come and bring your friends.
