Rev. H. E. Ryder went down Tuesday evening and heard Dr. Scoville in one of his great evangelistic sermons at the Christian church in Pendleton.

Oliver Dickenson has lumber and material on the ground for his new farm house. Contractor McFadyen will begin work on the house shortly.

Mr. and Mrs. Alex. Kirk came in from the ranch yesterday morning and left on the early morning train for Pendleton. Mr. Kirk also visited the Agency.

A number of Weston farmers are in the city today for the purpose of witnessing the demonstrations given by experts with the O. R. & N. demonstration train.

Photographer Van Winkle's equipment has arrived from Chehalis, Wash. and he is now prepared to do work at reasonable prices, that will equal that done in the largest cities.

Many beautiful creations in the new spring styles in millinery are arriving daily at the Miller Millinery store. Ladies are invited to call and see them while the stock is whole.

Cass Cannon has his acreage tract, which he purchased from the Land and Trust Company, all cleared and nicely leveled. Mr. Cannon expects to build a residence there this fall.

Pendleton farmers are complaining of a shortage in farm hands. The railroads now building up the Deschutes river have drawn heavily on the labor ranks in Eastern Oregon.

Ben Burroughs, of Pendleton, spent several days this week at the G. W. Hansell home west of town. Mr. Burroughs was at one time county clerk. He has been in ill health for several years.

George Bannister is still adding improvements to his residence on Fifth street. Carpenters have been engaged this week in building a large porch, which will include an outdoor sleeping apartment.

Mrs. Wm. Tompkins returned Tuesday from Hot Lake, whither she accompanied Mr. Tompkins, who remained at the resort in the hope of securing relief from a severe attack of rheumatism.

Mrs. Charles Norris' Rhode Island Reds have become so famous that she finds difficulty in furnishing the demand for eggs. She recently received an order from LaCross, Wash. for two settings of eggs.

"Beans" has arrived in town and taken up a permanent residence with Mr. and Mrs. H. I. Watts. "Beans" is the foxiest kind of a frisky little fox terrier puppy. He was imported from Pendleton.

Mrs. Lizzie Jones is receiving her new spring millinery in daily shipments. Another is expected today, and those buying Easter hats will do well to see her's before purchasing. She shows some handsome creations in the new spring styles.

B & H GREEN TRADING S

Now for Spring

For months we have been planning the coming spring campaign. New goods are already arriving at frequent intervals while many more are on the way.

In order that no new or otherwise desirable items might be overlooked, our buyers are now scouring the eastern markets, and seeing to it that we own our merchandise at the lowest possible landed costs. In spite of advancing markets we will be able to offer our customers most items for as little and in some cases less than heretofore.

More stress than ever before will be laid on quality, ever keeping in mind the fact that "The sweetness of low prices never equals the bitterness of poor quality." The best is being culled from all lines for all tastes and all purses.

All over this great store, even in our exchange department on the third floor, our customers are protected against possible costly errors by our "Satisfaction or your money back" guarantee. With us this means refund promptly and cheerfully without quibbling or protest. Unless our friends are pleased we are not.

Wherever possible our service is to be improved to the end that we may merit in still greater volume the favors of our old friends and secure the confidence and patronage of the ever increasing number of new citizens in our midst.

No effort is to be spared to make shopping here convenient, pleasant and profitable whether in person, by proxy or by mail.
