What does that mean?
It means that the men that in a past generation would have been independent merchants are now the employees of these stores, and never can be anything else; employees on wages with time checks, fines, and their daily work dependent upon a manager's caprice. That is their prospect in life. It is hard (in some of its aspects), and we dislike to admit it, but it is the truth.

The gigantic department stores and mail order houses are built of the ruins of independent stores, just as the Christian churches of Rome were built of the fragments of the old temples, and each independent store destroyed is an independent merchant turned into a salaried employe.—Charles Edward Russell in Success Magazine.

She Didn't Care.
Mrs. Stuyvesant Fish, at a luncheon in New York, said with good-humored mockery of the suffragettes: "If they keep on, their outlook, really, will become as naively selfish as Mrs. Dash's. Mr. Dash, as his young wife gazed before the mirror in a decollete gown from the dearest shop in the Rue de la Paix, regarded the pretty little lady indulgently, and said with a sigh: "You do look nice in that frock, dear, but it cost me a heap of money." "You dear old boy," she cried, "what do I care for money when it's a question of pleasing you?"

Famous Men Who Never Married
Among the illustrious men who passed through life in single blessedness may be mentioned Sir Isaac Newton, Thomas Hobbes, author of "The Leviathan"; Adam Smith, the father of political economy; Chamfort, the greatest of French talkers; Gassendi, Galle, Descartes, Spinoza, Locke, Kant, Bishop Butler, the author of "Analogy"; Bayle, Leibnitz, Hume, Gibbon, Macaulay, Buckle, Pitt, Charles James Fox, Leonardo da Vinci, Raphael, Michelangelo, Sir Joshua Reynolds, the artist Turner, Handel, Beethoven, Schopenhauer, Rossini, Mendelssohn and Meyerbeer.—Detroit Journal.

Seeing Things Differently.
"What you lack, my boy," said his elderly uncle, "is the definite purpose, the steady aim, the overmastering impulse, the all-absorbing, all-compelling determination to force your way to the front, regardless of whatever obstacles may lie in your pathway."
"No, uncle," demurred the nephew; "I've got every one of those things—all I lack is the sixty horse power automobile."

Shake Into Your Shoes
Allen's Foot-Powder is a powder for the feet. It cures painful, swollen, smarting, sweating feet. Makes new shoes easy. Sold by all Druggists and Shoe Stores. Don't accept any substitute. Sample FREE. Address A. S. Olmsted, Le Roy, N. Y.

Against the Law.
Sheriff—Hi, there, what you doin' with them thar worms?
Fisherman—I'm putting a new worm on my hook. That confounded perch got away with the last one.
Sheriff—I guess you'll have ter come along with me. Don't ye know that rebates is agin' the laws of these here United States?—Independent.

His Exhausting Mental Labor.
"If you have any trade or occupation," asked the woman of the house, "why don't you follow it?"
"Ma'am," said Tuffold Knutt, with his mouth full, "I work fourteen hours every day."
"How? At what?"
"Wit' me mind, ma'am, same ez all de great inventors do. I'm tryin' t' think up a subst'oot for injy rubber."—Chicago Tribune.

JOLLY JOKER

He looked in a milliner's window and saw "Hats reduced." "Great Scott!" said he to himself. "What was their original size?"
Prue—Do you think he was sincere when he said he loved you? Dolly—I'm sure of it. He looked too foolish to be making believe.
Mrs. Knicker—Do you let Bridget eat with the family? Mrs. Bocker—Yes; it's much cheaper than to have her eat with the policeman.—Puck.

Outclassed.
Wearied with his everlasting hike, the Wandering Jew stopped to rest. "What's the use?" he exclaimed. "I can't keep up with old man Weston to save my life! He's forty miles ahead of me and going like the wind!"
Running a trembling hand through his flowing beard, he proceeded to heap a few choice maledictions on the day of his birth.

What's the Use?
"You don't take your doctor with you when you travel now, I see," said his confidential friend.
"No," said the financial magnate; "he's too tyrannical. Besides, it's just as cheap to have him fix me up after I've come back from one of my long trips."

Misunderstood.
