# WOMAN **CURED**

By Lydia E. Pinkham's Vegetable Compound

Ottumwa, Iowa.—"For years I was almost a constant sufferer from female

trouble in all its dreadful forms; shooting pains all over my body, sick headache, spinal weakness, dizziness, depression, and everything that was horrid. I tried many doctors in different parts of the United States, but Lydia E. Pinkham's Vegeta-ble Compound has done more for me than all the doctors. I feel it my duty to tell you these facts. My heart is full of gratitude to

you for my cure."—Mrs. HARRIET E. WAMPLER, 524 S. Ransom Street, Ottumwa, Iowa. Consider This Advice. No woman should submit to a surgi cal operation, which may mean death.

until she has given Lydia E. Pinkham's Vegetable Compound a fair trial. This famous medicine, made only from roots and herbs, has for thirty years proved to be the most valuable tonic and invigorator of the female organism. Women residing in almost every city and town in the United States bear willing testimony to the wonderful virtue of Lydia E. Pinkham's Vegetable Compound.

Mrs. Pinkham, at Lynn, Mass., her for advice. Her advice is free, confidential, and always helpful.

After going through southern and

rheumatism and does not take the Uric Acid course is making a great Syrup the best romedy to use for their children luring the teething period.

Relios of Past Ages.

An interesting discovery was made recently at Spittal (Eng.) by a num consultation absolutely free. Not a ations were being carried on, a quantity of human bones were turned up. This was followed by the unearthing of a number of stone coffins, each containing human remains. The coffins bore no resemblance to the massive sarcophagus recently disinterred at Berwick, but consisted simply of rough stone slabs.

Modern Teachers Criticised.

Our educators are owl-wise, our eachers are pedants and all their ambition is the turning out of smooth well-polished philistines. It is certainly unfortunate that the favored type of superintendent of our public education should be such a hopeless philistine, possessed of all the conceit of the mediocre business man. Rou-Sidis.

Noble Ideal.

In the effort to appreciate various forms of greatness, let us not under life. Just to be good; to keep life pure from degrading elements, to make it constantly helpful in little ways to these who are touched by it to keep one's spirit always sweet, and avoid all manner of petty anger and irritability-that is an ideal as noble as i is difficult.

Dr. Pierce's Pellets, small, sugar coated, easy to take as candy, regulate and invigorate stomach, liver and bow els. Do not gripe.

Why She Chose the Gown. A woman in Cherryvale, Kan., was allowed her choice between a new parlor rug and a summer gown. The Journal says that after three sleepless nights she decided on the dress. She argued: "I can darken the parlor and the rug will look all right in subdued light, and besides, hundreds of folks will see the dress who would never see the rug."

Forgiveness of Children. It is the sweet and entire forgiveness of children, who ask pity for their sorrows from those who have caused them, who do not perceive that they are wronged, who never dream that they are forgiving, and who make no bargain for apologiesit is this that men and women are urged to learn of a child.—Alice Mey-

Nearly Out of Cheese. A grocery salesman entering store found the place in charge of the business it was to always have his delivery boy. Upon being asked where the proprietor was, the boy replied: "I am the whole cheese here." The traveling man departed, leaving a note for the proprietor, which the boy promptly opened. "Permit me to suggest," he read, "that you are nearly out of cheese."-Success.

in Partnership. He-"Bo young March and his father are carrying on the business?"

She-"Yes. The old man runs the business while young March does the carrying on."-N Y Globe. The Difference in the Louis. The Customer-"I think Louis XV. heels are too high. Give me a size smaller, please—or perhaps Louis

XIII. even would be high enough."-

The Sketch.

Have you weak heart, dizzy feelings, oppressed breathing after meals? Or do you experience pain over the heart, shortness of breath on going up-stairs and the many distressing symptoms which indicate poor circulation and bad blood? A heart tonic, blood and body-huilder that has stood the feet of over 40 years of cures is

Dr. Pierce's Golden Medical Discovery

The heart becomes regular as clock-work. The red blood corpuscles are increased in number-and the nerves in turn are well fed. The arteries are filled with good rich blood. That is why pervous debility, irritability, fainting spells, disappear and are over-come by this alterative extract of medicinal roots put up by Dr. Pierce without the use of alcohol.

Ask your neighbor. Many have been cured of scrofulous conditions, ulcers, "fever-sores," white swellings, etc., by taking Dr. Pierce's Discovery. Just the refreshing and vitalizing tonic needed for excessive tissue waste, in convalescence from fevers or for run-down, anæmic, thin-blooded people. Stick to this safe and sane remedy and refuse all "just as good" kinds offered by the dealer who is looking for a larger profit. Nothing will do you half as much good as Dr. Pierce's Golden Medical Discovery.

is the handiest thing in the pantry. It is pure and always ready to

There is no waste-use as much or as little as you need, and the rest keeps longer than fresh milk.

Gives fine results in all cooking

Needs of the Church "What is the greatest evil to be remedied in the modern church?" is a question which a Topeka minister asked a lot of business men. One replied: "Make the women take off their hats and fix the seats so that men can sleep in greater comfort."-

Kansas City Journal. Couldn't Be Otherwise. A doctor was called to the bedside of a fond mother's baby boy. He diagnosed the allment as acute rheutine is his ideal. Originality is matism and the mother responded spurned and suppressed—Dr. Boris quickly: "Acute rheumatism? I might have known it; everything he does or says is just as cute."

> Action of Drainage Waters. Recent experiments in Germany indicate that drainage waters do not take any more plant food away from fertilized soils than from unfertilized.
