Mr. and Mrs. Theo Danner drove over from Milton Saturday, and spent Sunday at the Wall home in this city. They found Mr. Wall on the fair road to recovery.

Miss Hope McPherrin has been ill the past week, and unable to attend school. She has been threatened with fever, but it is hoped the attack may be averted.

Mrs. Lucretia Rothrock, who was ill at her home in Weston last week is reported as considerably improved. She was taken to Walla Walla by her son, A. B. Rothrock.

Will Miller and Fred Radtke went up on the Weston mountain Sunday, and hunted about the English ranch, but found no signs of game. They returned home Tuesday.

Friends here have received news from Mr. and Mrs. Sims Dickenson, to the effect that they have arrived safely at their destination and are keeping house in Santa Rosa, California.

Mrs. E. A. Reser, Mrs. M. Toner and Miss Annie Toner, of Walla Walla, were guests yesterday at the home of Dr. and Mrs. W. G. Hughes. Mrs. Reser is the mother of Mrs. Hughes.

A sale is advertised to take place at the W. T. Hill place six miles north of town on Thursday, November 2. Elsewhere in this issue appears an advertisement, describing the property.

The last load of crushed rock for the macadamized road between Athena and Weston was hauled Wednesday, and now one of the best three-mile stretches of road in the county is completed.

Will Ferguson, who last week went with the Le Grow hunting party to Elk Mountain, returned home Tuesday, and reported no luck so far. The others of the party will remain a few days longer.

Weston Leader: Holdman farmers know where to come and get vegetables. Three of them were here the other day and took out two four-horse loads and one two-horse load of Weston produce.

A fire near Stanfield yesterday caused from matches in the hands of children, destroyed the home of John Peebler, with all its contents. Nothing was saved. The house was the property of Will Moore.

Pilot Rook was visited with a disastrous fire yesterday morning, in which a hotel, restaurant and livery barn were consumed. For awhile it threatened the entire town. The loss was estimated at \$7000.

Mrs. Dobson reports the installation of a splendid new hyloplate blackboard in the new school house in District No. 30, where she is teaching. The board was shipped from Davis-Kaser's, in Walla Walla.

A. R. Booher is building an addition of one room and a porch on the south side of his residence in the north part of town. He is doing the carpenter work himself, and Harry Bundy has charge of the painting.

This week Frank Beale bought 193 acres of mountain pasture land from John Picard, paying the price of \$2000. The land is situated near the boundary of the reservation, and contains very little farming land.

Saturday afternoon a horse driven by Master Ellis Hopper near the railroad in the north part of town, became frightened at a passing train and bolting, ran into some trees near

by, demolishing the buggy. After having done the damage, the horse became perfectly tractable and was led home. The buggy belonged to Mrs. W. E. Dobson.

Mrs. David Stone was taken to Walla Walla Friday evening, for medical treatment. She is said to be in a serious condition, from the formation of abscesses. She was taken to her mother's home in Walla Walla.

Dr. Newsom drove his car to Pendleton, the first of the week, taking his family and other friends. According to Charley Barrow, the doctor drove at such a rate that three tires were punctured at one time.

Mrs. M. E. Shurtz, of Arlington, was calling on her friends in the city Saturday, prior to her departure with her family for their home. They have been guests at the home of her brother, Will O. Read, near town.

John Stanton arrived home Tuesday from the mountains, where he has been with a party of hunters. He was summoned home on account of the illness of his wife, but found her condition improved on his arrival.

Mrs. Mary Leeper is expected to arrive Monday from Corvallis, where she has been with her daughter, Mrs. Etta Smith for the past summer. Mrs. Leeper is visiting this week at the home of Mrs. G. C. Osburn, in Portland.

Sunday S. F. Wilson took a party of ladies including Mrs. Alma Wilkinson and the Misses Hofer, Welland and Romig, for a drive in his new car, making the agency their objective point and going by the way of Pendleton.

At the wedding of Miss Lorena Stone, daughter of Mr. and Mrs. J. N. Stone of Milton, last Wednesday, to Mr. Harold Lamb, Miss Della Danner attended the bride. The groomsmen were Mr. Frank Lamb, brother of the groom.

Tuesday evening, a team ran away with O. Barnes, who is living on the Watts place north of town. Mr. Barnes was severely injured, receiving bruises in the shoulder and both legs. He has been confined to his bed from the effects of the injuries.

All the cattle in Lake and Klamath counties are to be dipped within the next few weeks to eradicate scab. The work of dipping will be under the supervision of the federal bureau and is to start at once. There are probably 100,000 cattle in these two counties.

W. H. Stamper had a painful experience Tuesday night, with acute appendicitis reports the Leader, and for several hours felt doubtful whether he would ever see the dawn of another day. He "pulled through" however and is again on duty at the Stamper livery barn.

Mrs. William Tompkins left Monday on her contemplated trip to California and Nevada. She was joined at Portland by the Misses McKenzie, who will spend the winter at Long Beach, Mrs. Tompkins leaving them at Sacramento and going to Silver City, Nevada, to visit her mother for a month.

Mrs. Lillie Miller has added another department to her millinery, and now has in stock a beautiful line of fancy work, including sofa pillows at 50c. to \$1. and stamped linen underwear, marked ready for working. These will make beautiful Christmas presents, and it is none too soon to begin such work.

The Halloween party to be given tonight by the young ladies of the Missionary Circle, promises to be a most enjoyable event, full of surprises and spooky sensations for the participants. A large number of invitations have been sent out to the young people of the city, and it will doubtless be largely attended.

Tuesday night during the rain storm, all night long the eerie "hoonk, hoonk," of the wild geese was heard as they winged their way through the night. Whether there were numerous flocks or one lone band circling about is hard to say. However, the weather prophets immediately began to predict a "hard winter."

The Dreamland program for Friday and Saturday, is as follows: 1.—"A Cowboy's Vindication," Esasnay. 2.—"The Motor Fiend," Pathe. 3.—"Through the Clouds," Edison. For Sunday: 1.—"Two Little Waifs," Biograph. 2.—"A Winter Straw Ride," "Down on the Farm," Edison. 3.—"Justinian and Theodore," Selig.

Wines are the staples in family liquors. Bert Cartano carries a large and varied stock of select vintages. \$1.50 per gallon, you can get choice Tokay, Moscat, Angelica, Sweet Catawba or Port. These are California's best product and give satisfaction wherever used. Call at the Red Front for the best and purest liquors.

Miss Gertrude Luna, local manager for the telephone company, reports two new phones put in last week, one in the Wilkinson home and one in the Homer I. Watts residence. The Shiek and Lockwood homes have also been supplied on the farmers' line. Miss Luna, in company with Mrs. Edna Bell, made a business trip to Walla Walla Saturday.

Mr. and Mrs. Victor McDonald were in the city the first of the week, visiting at the Dudley home. They expect to leave their home in Walla Walla in a few days for California, where they will spend the winter, as is their usual program. Mr. McDonald will motor as far as The Dalles, when he will ship his machine by boat to San Francisco. From that city they will tour the state, traveling by automobile.

This week Joe Cannon finished moving his stock, farming implements and household goods from the Coltern place which he has been farming, and which was sold recently to Marion Hansell, to his own farm, purchased about two weeks ago, on Weston mountain. The place is known as the Larder place and contains 210 acres of the best mountain land, all in cultivation and grows alfalfa, strawberries, potatoes and vegetables of all kinds. The place adjoins the Leach farm.

The agony is now over and the Philadelphia Athletics yesterday became world's champion base ball players when for the fourth time they wrested victory from the New York Giants. The New York club was outplayed, outbatted and outpitched from start to finish, scoring only two runs, while the Athletics totaled thirteen.

The Weston city council has granted a 25-year franchise to the Pacific Telephone and Telegraph company for \$25 a year. The franchise is non-exclusive and municipal interests are otherwise protected. The company expects to rebuild its entire telephone system at Weston, at a cost of several thousands of dollars, and to install a 100-drop automatic switchboard.

A Pendleton paper says the editors of the East End cities were detained from the meeting of newspaper men in that city Tuesday evening, because the "devil" failed to put in an appearance at the last moment. On the contrary the Press "devil" was on the job, all right, but the editor is still enjoying his vacation in the mountains—and that's why the "devil" couldn't attend.

The latest reports from the Green springs development workers is to the effect that everything looks favorable for a good supply of water from that source. Blasting has been in progress, and will be continued until bed rock is reached, when a thorough test will be made as to the quantity of water available. Large boulders retard the progress of the work, which is necessarily slow.

The lecture at the Christian church Wednesday evening dealt principally with the industrial life of China and was appreciated by a large audience. Mr. Meldrum promises a another lecture on the celestial empire, in which he will tell of the political aspect of the country. On next Wednesday evening, the subject of the lecture will be "Alexander the Great." Sunday evening the third in the series of illustrated sermons on the life of Christ will be given.

The ladies of the W. C. T. U. met last Friday, October 20, at the home of Mrs. A. Mackenzie Meldrum, with nineteen members present. A most delightful session was held, the chief feature being a talk by Mrs. Crockett, of Pendleton, who gave an interesting report of the recent convention at Echo. An appetizing lunch was served by the hostesses. The society has made rapid advancement lately, twenty-five new member being added during the stay of Mrs. Silbaugh, last week. The next meeting will be at the home of Mrs. Desper, on Friday, November 17.

The Leader announces that the improvement of the county road leading east of Weston by macadam in a manner similar to the fine new road between Weston and Athena is now contemplated. Subscriptions of hauling were made last spring for this purpose by the farmers interested, and an increase in this donation will be asked for from the farmers and citizens of that locality. It is recognized as important that the macadam should be laid while the county rock crusher is there. It is expected that the road will be improved as far as the cemetery at least. The additional subscriptions are asked for to continue the grading to the McGrew and Mackenzie crossings on Hale creek. The total distance is estimated at about a mile.

Red Fern Coats & Suits
For Fall and Winter

What is it that distinguishes you; that sets you apart from other women? Surely your clothes are an important factor; more important, perhaps, than you are willing to admit.

Clothes are an expression of the inner self; a pretty sure indication of that which lies deep within the real self.

We are showing the latest authoritative styles for Fall and Winter in the Redfern line. Redfern garments need to be seen to be appreciated. Give them a thorough examination.

TAYLOR & LEGROW
Main Street, Athena, Oregon

All Farmers
realize the importance of sowing their grain at the proper depth; but this cannot be accomplished with the drills as they are found on the market today. The accompanying cut shows an attachment for the hoe drill which overcomes this difficulty.

The Akers Hoe attachment regulates the depth of sowing, packs the soil around the grain and insures the grain to be perfectly covered. They are manufactured and sold by the
PENDLETON IRON WORKS, Pendleton, Oregon.
