Having Added

to my already splendid line of cutting Machines—Walter A. Wood—the excellent Milwaukee line in No. 12 Binder and Mowers, and Deering Headers, I feel that we can please the most fastidious. We are to the front with large and various stocks of all that is needed in the Hardware and Implement lines. Oils, twines and all extras for Woods, Milwaukee, Deering, McCormick and other machines. Investigate our stock of Lumber and building supplies.

Walter A. Wood Admiral Mowers
give a service that cannot be equalled by any other machine, because no others possess such valuable features as
Genuine Underdraft, Floating Frame and Uniform Tilt
Genuine underdraft puts all the pull of the team on the cutter-bar, giving greatest possible cutting power. All neck weight is eliminated by the floating frame, and the uniform tilt makes possible cleaner work and more hay.
