The Henna Plant. Everywhere in lower Egypt the henna bush grows. It attains a height of seven feet and bears a multitude of snowy tufts. The virtues of henna are chanted by all mouths and its in the nostrils, and on the hair of eastern women. The henna paste is made by rolling the dried leaves and soaking them in liquid drawn from another shrub.-Harper's Weekly.

The Wandering Jew.

Matthew Paris and Roger Wendover identified the Wander Jew as Cartaphilus, a porter in the household of identify him as Ahasuerus, a cobbler of Jerusalem. The legend is far older than the events which it proposes as its central feature. In the course of its central feature. In the course of his plate, looked into the anxious faces spoonful of grated nutmeg and a soup less nights, nursing bottles and warm ages it has acquired many foreign elements by accretion.

Cheap Cleaner.

A bleycle pump is a good substitute for a vacuum cleaner in getting dust from nooks and crannles in marble statuary, plaster casts, carved furniture or any crevices where it may lurk in spite of dust cloth and brush. Run to dissolve a fishbone. You can test the open end of the rubber tubing over the surface to be dusted, while working the pump vigorously with the foot A soft dust cloth will do the rest.

Never Repeat an Unkind Thing.

Never repeat unkind things. But if you hear something kind and pleasant and sweet, then make it your business to repeat it. It may sound superior to say you do not care whether people like you or not, you must speak your mind. That isn't superiority. It is supreme selfishness and surliness.

Origin of "Mutt."

"Mutt" is a contraction of "muttonhead," a term applied in ancient times to a stupid fellow, equivalent to "dunderhead" and "puddin'head." An old publication has it that "Columbus taught a parcel of 'muttonheads' that an egg might be poised on the smaller

Bellef that Common Political Term Sprang From a Horse Race Held in Tennessee.

The political term "dark horse" is hought to have had its origin in the following circumstances:

In the last century there lived in Tennessee a "character" named Flynn, an elderly person who dealt in horses. Flynn generally contrived to own a speedy nag or two for racing purposes if he could arrange for "a good thing" during his peregrinations throughout the state.

The best of Flynn's flyers was coal black stallion named Dusky Pete, almost a thoroughbred and able to go in the best of company.

One day Flynn visited a town where a race meeting was in progress. He heavily against the stranger.

fled for the race, a certain Judge Mc- generous tablespoonful of flour and Minamee, who was the "oracle" of that part of the state, arrived on the

over the track the judge instantly recognized Pete. "Gentlemen," said Mc bright red, instead of green, they will to say the least, one of the worst run-Minamee, "there's a dark horse in this race, as you'll soon find out." He was right. Pete, "the dark horse,
