The Sunshine club was entertained November 7, at the home of Mrs. Luke Read. The afternoon was pleasantly spent in sewing and conversation. Refreshments were served by the hostess, assisted by Mrs. Arthur Douglas.

A rally of the Sunday school officers and workers will take place at La Grande on the day and evening of November 20 to plan for the spring state convention for Eastern Oregon. A general discussion of specific phases of Sunday school work will take place.

The postponed business meeting of the C. W. B. M. was held Wednesday afternoon at the home of Mrs. H. H. Hill. The new year books were received, and will be distributed to members. The December meeting will be at the home of Mrs. David Taylor, on the 4th ult.

"On the Brink lines of Tropoli," was the title of one of the most interesting and instructive pictures to appear for a long time at the Dreamland theater. The reel was run during the program of Sunday evening.

Indications are that Rev. Helmick has discovered the cause of the inadequate heating facilities of the furnace apparatus at the Methodist church building. Insufficient draft, according to Mr. Helmick, is the direct cause.

Attorney H. I. Watts is in Portland this week, where he is defending Ralph McBain in the federal court. McBain is on trial for horse stealing. Mr. Watts having been retained as his counsel at the preliminary hearing several months ago.

The Deutschen Fris Stands Gesellschaft met with Lawrence Sharp Wednesday evening and spent a pleasant evening. The program was, "A Man Hunt," in which Lillian Tompkins secured most credits and Harry Ingham the least number of credits.

Several of the boys are contemplating pilgrimages to the goose hunting grounds in the northwest part of the county. Big flights are now being reported, and with favorable weather conditions, i. e. rain, fog and high winds, killings commensurate with the pleasure of such trips should be in order.

The appraisers of the estate of the late Charles Cunningham have placed the valuation of his real and personal property in this county at \$17,897. The estate also is comprised of property in Pasco, Wash., and 80,000 shares of mining stock, listed at a par value of \$1 per share. The mining shares was appraised at nothing.

Ira Luna is in the city from Portland, where is employed as meat cutter in one of the principal markets there. Mr. Luna has recently taken a homestead near Peak, a point in the coast range of mountains, and the hunting excites he tells Athena sportsmen is conducive to tingles of desire to join him in the chase next fall.

A second cable is being placed across Main street to the local telephone exchange office by workmen for the company. A novel method is employed by the workman as protection for his soldering apparatus from the wind. He is enshrouded in a canvas which has the appearance of a balloon suspended to the cable.

Mrs. Hiram Knight of this city has been appraised by relatives in Missouri, that she is heir to a portion of a valuable estate in Virginia, property left by her grandfather. Missouri heirs have retained legal counsel and Mrs. Knight was asked to send a transcript of the family birth and death record, as it appears in the old family Bible possessed by her.

Jacob Cartano of Ironton, Iowa, came to Athena Wednesday morning and unawares dropped in on his brother Bert. The resemblance of the two men is so great that anyone knowing Bert would know on seeing the Iowa brother, of the existing relationship. Mr. Cartano will remain on the coast for the winter on account of previous ill health.

Services at the Christian church for Sunday, November 17, will include Bible school, 10 a. m. Sermon and communion, 11 a. m., and illustrated sermon on "The Labors of the Apostle Paul," 7:30 p. m. A cordial invitation is extended to all. Mr. Meldrum is pleased to announce that during the last two months the Bible school has grown 25 per cent, and the attendance at the preaching services has increased 100 per cent.

A terrible accident happened Wednesday morning to a man named Crum, while he was engaged in operating a wood saw at the McElroy place, east of Weston. A pile of wood toppled over on him, the shock thrusting him underneath the rapidly revolving circular saw. The sharp teeth of the saw cut and tore huge gapping wounds in his right arm and shoulder. Dr. Newsom was called and dressed the wounds and brought the victim to his home in Weston.

Athena chicken fanciers are going out after the best stock obtainable from Eastern breeders. B. N. Hawks is expecting the arrival of two White Orpington cockrels from Russell Cave, Ky, which will cost him \$50 and express charges. One of these cockrels will be taken by Matt Mosgrove of Milton. Donald McFayden has placed an order with an Ohio breeder of White Orpingtons for a pen of six birds, which will cost him \$40 and expressage. With the excellent stock already owned in this vicinity a poultry show could be held here annually, and already the matter is being talked of by a few poultry fanciers.

Those who attended the illustrated lecture at the Christian church Wednesday evening, were given a splendid insight into the conditions now existing in Constantinople, and many went away with a greatly increased knowledge of the Turkish people. The stereopticon views were most graphic and instructive. Mr. Meldrum will not lecture on next Wednesday evening, but on the following, November 27, will deliver one of his best lectures, on the formation of the earth's surface. These educational evenings are highly appreciated by the Athena public, as evidenced by the splendid audiences which attend, both Wednesday and Sunday evenings.

Hindu Caste.

The four grades of society among the Hindus are the Brahmins or sacerdotal class, who are said at the moment of creation to have issued from the mouth of Brahma; the Kshatrya or Chutsee or military class, sprung from the arm of Brahma; the Vaisya or Builders or mercantile class, from the thigh of Brahma, and Sudras or Sooders or servile class, from the foot of Brahma. The business of the Sudras, note especially the Brahmins. Their condition is never to be improved. They are not to accumulate property and are unable by any means to approach the dignities of the higher classes. These divisions are hereditary, impassable and indefeasible.
