THIS men's big section of ours offers a saving in everything the man or boy requires, that is making it become more and more popular every day. Men who have hitherto scoffed at the idea of buying at a department store are learning that it is to their interest, in dollars and cents, to come here for their every day needs.

They find that we are presenting for their selection, the very best the market affords, and give them quite as satisfactory variety as they can possibly procure elsewhere.

The word today is concerning a new arrival of knit undergarments for men and boys.
