Mrs. Fleener, mother of Mrs. H. H. Hill, is very low at the home of Mrs. Hill in this city, and not expected to live. Her daughter, Mrs. F. E. Parkyn, of Lewiston, is expected to arrive today. Mrs. Fleener has been an invalid for many years.

Miss Katherine Sharp of this city, for several years a teacher in the Pendleton city schools has been elected to teach the A class in the 7th grade of the public school of Dayton, Wash. Miss Sharp left for Dayton Saturday, and commenced her work, Monday morning.

The Athens Band of 16 pieces will render music for the Round Up at Pendleton next week. Prof. Gordon will take one of the best musical organizations that ever went from Athena on an engagement. The band has been practicing special music for the occasion.

Four carpenters are rushing the work on B. B. Richards' chop mill and if present progress keeps apace, the mill will be in operation in a short time. Mr. Richards has already booked several orders for rolling feed. He expects to have a modern mill in every particular.

A. L. Swaggart will exhibit a portion of his herd of thoroughbred Poland China hogs at the Pendleton and Walla Walla county fairs. Mr. Swaggart claims to have the best specimens of breeding stock he has ever had on the ranch, and this is saying a great deal.

N. A. Miller has returned from a business trip to Portland, where he attended sessions of the Oregon Undertakers Association, and where he purchased a carload of goods for his furniture store. Mr. Miller reports interesting sessions of the association, of which he is the only member residing in this county.

At the meeting of the O. W. E. M. last Wednesday at the home of Mrs. A. M. Meldrum, new officers were elected for the coming year. Mrs. Chas. Gerking was elected president; Mrs. John T. King vice; Mrs. Geo. R. Gerking secretary and Mrs. Alta Michener treasurer. The meeting was led by Miss Nettie Roys, and refreshments were served by Mrs. Meldrum.

"Doc" Crews of the Dime and Arcade theatres of Walla Walla says that people of Athena and vicinity will feel perfectly at home at these theatres during Frontier Days, or any other time. Four reels of the latest pictures are shown at each performance. Music is a feature, the Dime orchestra playing each evening at the Dime, while Organist Bedall at the Arcade delights all by his playing on the pipe organ.

Work on the new steel bridge above town is progressing. A temporary road has been constructed around the structure, which affords convenience to travel. The concrete abutments are being put in by the workmen this week, after which the steel span will be put in place. From here the contractors go to Pine Creek, above Weston, where a steel bridge will be constructed, after which the workmen will be taken to Milton, where the Walla Walla river will be spanned with a new bridge.

The Plamondon, Ferguson and Barrett automobiles conveyed a merry party to Walla Lake, Sunday. From there they went to Hot Lake, thence to La Grande, and home via Meacham. With the exception of a few "blowouts" and minor mechanical incidents, the trip, which was a very enjoyable one was made without trouble or delay. The roads were good in places but different in others. The party included Dr. and Mrs. J. D. Plamondon, Mrs. Homer I. Watts, Mr. and Mrs. W. S. Ferguson, Miss Gladys Andie, Mr. and Mrs. E. A. Barrett, Miss Jessica McEwen and Miss Booth.

Two serious runaway accidents occurred in Athena with wheat-hauling outfits. Saturday a six-mule team from the Steen ranch "jack-knifed" into a team driven by William Wood, with the result that the tongue and one wheel on Wood's wagon was wrecked. Monday while returning from town after delivering a load of wheat, a four-mule team belonging to Arthur Coppock became frightened at a dog near the Caplinger place, bolted around, snappd the wagon tongue in splinters and dragged one of the wheelers some distance. The animal proved to be badly hurt, having a large splinter driven into its breast.

New Land Scrip. By special act of Congress, nearly 2000 acres of approved Land Scrip is now available for use in Oregon. It is the best and cheapest scrip put on the market in several years. Will go quickly to patent. Take any land subject to homestead entry. Can furnish in applications from forty acres up, as long as it lasts. We guarantee validity. The price will attract you. If you need some of it, prompt action is necessary. Write or wire us. The Collins Land Company, Helena, Montana.

# In Fit and Material You Find Satisfaction

On that and nothing more, depends success in the Merchant Tailoring business. I am out after success, and that I am getting the cream of the Clothing business --well, in one day last week I took orders for 15 new Suits. If you are after "the goods" you'll come to me.

Main Street. RUSSELL PIERSON Athena Oreg

## Umatilla County Fair

September 8 to 13, 1913  
Pendleton

### WILL BE A HUMMER

The competition for the Silver cup to be awarded to the community making the best general exhibit is exciting.

### THE ROUNDUP BAND

Will furnish music at all evening sessions and there will be several vocalists of exceptional talent. Another notable feature of the entertainment will be the afternoon and evening performances of MARVELOUS DeOLNEY, The Human Fly who does the most amazing aerial and tight wire performances.

Admission every day and on Monday and Tuesday evenings, just as always heretofore 25c for adults and 15c for children. For the last four evening performances, Wednesday to Saturday inclusive, the admission charge will be 50c and 25c.

## Electric Bitters

Succeed when everything else fails. In nervous prostration and female weaknesses they are the supreme remedy, as thousands have testified. FOR KIDNEY, LIVER AND STOMACH TROUBLE it is the best medicine ever sold over a druggist's counter.

The Marlin 12-Gauge Hammerless "Pump" Guns. repeating shotgun, Model 28, is a fine-appearing, beautifully-balanced gun, without any objectionable lumps or bumps; no holes on top for gas to blow out through or water to get in; can't freeze up with rain, snow, or sleet; its solid steel breech (not a shell of wood) permits a thoroughly symmetrical gun without sacrificing strength or safety; it is the safest breech-loading shotgun ever built. It is Hammerless with Solid Steel Breech (inside as well as out)—Solid Top—Side-Ejection—Matted Barrel (which costs \$4.00 extra on other guns)—Press Button Cartridge Release—(to remove loaded cartridges quickly from magazine without working through action)—Double Extractors—Take-Down Feature—Trigger and Hammer Safety. Handles rapidly; guaranteed in shooting ability; price standard Grade "A" gun, \$22.50. Send 3 stamps postage for big catalog describing No. 28, A, B, C, D, T and Trap Special and all other Marlin repeating rifles and shotguns. Do it now! 42 Willow Street, New Haven, Conn.

If you shoot a rifle, pistol or shotgun, you should have a copy of the Ideal Hand Book—100 pages of useful information for shooters. It tells all about powders, bullets, primers and reloading tools for all standard rifle, pistol and shotgun ammunition; how to measure powders accurately; shows you how to cut your ammunition expense in half and do more and better shooting. This book is free to any shooter who will send three stamps postage to The Marlin Firearms Co., 42 Willow St., New Haven, Conn.
