So many of our friends have asked us: "What is the meaning of

### "TUM-A-LUM"

that we are going to explain the origin of the word. Like a good many words in English, "TUM-A-LUM" is derived from a great many languages. Originally, from the CHINOOK INDIAN meaning "SCATTERED WATERS"; "TUM-A-LUM" has come to mean:

- IN FRENCH, "TO EXCEL."
  - IN DUTCH, "HANDLING THE BEST OF GRADES."
  - IN GERMAN, "SERVICE."
  - IN IRISH, "QUALITY."
  - IN SPANISH, "THE BEST FOR THE MONEY."
- Put all of the above meanings together and you have the meaning of TUM-A-LUM in ENGLISH. But in the language of Athena, TUM-A-LUM stands for THE UP-TO-DATE LUMBER YARD.

## ATHENA WINS IN THE COUNTY MEET

HIGH SCHOOL AND GRADES TIE WITH TOTAL 132 POINTS.

Athena Also Shares In Honors At the Fourth Annual Oratorical Contest.

Athena High school and grades went down to Pendleton Saturday, and returned with the trophy of the annual track meet of the Umatilla county schools. The high school scored an even 66 points and the grade divisions scored the same number, a total of 132 points, the largest winning of any school participating since the organization of the county association, four years ago.

The Hermiston school took second place in the high school events, while Adams was a close second in the division in which the grades were entered.

In writing up the result of the meet, the East Oregonian says that in Ingham, Tompkins and Hassell, Athena has high school point winners who are worthy successors to Payne, Worthington, McEwen and others. Glineski, Peringer and Morrison were the leading point winners for Adams, while Prindle and Longhorn were stars for Hermiston. Gunn, a clever young athlete made ten of the eleven points credited to Umatilla. Esteb made all of the six points for Echo.

Athena also won high honors in the oratorical contest. In class C Jeanette Miller won, with Desira Bean of Milton, second. Miss Zola Keen had no competition in Class B, and won with a splendid delivery given with as much poise as though she were competing against 40 contestants. Ernest Crockett, the Pendleton contestant, won first honors in the high school division. Arnold Koepke represented Athena in this division.

## Feminine Steve Brodie Takes "Leap For Life" Off High Bridge

Photos by American Press Association.

It takes nerve—real nerve—for a woman to perform the daredevil feat that Miss Constance Bennett did when she jumped off the Williamsburg bridge between Manhattan and Brooklyn. Using a small parachute, Miss Bennett risked her life and limb for the movies. She leaped from the middle of the big span, which is 157 feet above the East river. She descended all right and was fished out of the water by Rodman Law, a companion daredevil, who leaped separately, and by others who were waiting on a tug. She is the first feminine Steve Brodie, though Brodie, who gained his fame by leaping off the old Brooklyn bridge, never used a parachute. Miss Bennett is shown here in the clothes she wore when she made her leap. The other picture shows her descending with the parachute.

## CONVICTS ASSAULT CONNICK

Mike Donnelly Figures Again In Attempt to Gain Liberty.

Mike Donnelly, probably the most desperate prisoner in the state penitentiary at Walla Walla, with two other desperados, Livingston and Miller, made an attempt to escape Monday by overpowering the turnkey, but three shots fired by guards after the men had gained the prison yards halted them. They are in solitary confinement. Donnelly, doing life, has a record of two escapes. Livingston and Miller two months ago were caught in an attempt to escape.

The attempt Monday took place during yard exercise. Donnelly was locked in his cell but Livingston and Miller were allowed in the corridor. Livingston and Miller hid. Donnelly from his cell set up a cry. Turnkey Connick ran to the cell and Donnelly told him a man in the cell above him was trying to hang himself. As Connick started up the steps Livingston, who somehow had procured a knife, attacked Connick. J. Clark, a life terner from Chehalis, clerk in the turnkey's office, came to Connick's assistance and grappled with Livingston. Miller hit Connick over the head with an iron bar, knocking him unconscious.

### Human Skeleton Found.

The flesh eaten off by crows, the skeleton of a man was found by the section foreman near Huron, on Meacham creek, Tuesday of this week. The remains were interred where found. The clothes had been torn to shreds, making identification impossible.

Chas. A. Brown was a Pendleton visitor Wednesday.

## WOULD ORGANIZE TROOP OF RIDERS

ATHENA ASKED FOR REPRESENTATION IN REGIMENT.

Eastern Oregon Being Looked to for Men and Mounts In Event of Hostilities.

Should the United States go to war with Mexico, and volunteers be called for, Athena will have an opportunity to be represented in the cavalry ranks. At this time Eastern Oregon is being looked to for men and mounts in the cavalry service. Attorney Watts is in receipt of a letter from C. K. Cranston, of Pendleton, who is looking into the matter on behalf of Lieut. Hennessey, U. S. A. The letter in part, says:

"There is a movement on foot to organize a volunteer cavalry regiment in Oregon and this movement is being promoted by the Governor of this state and by Lieutenant P. J. Hennessey, the federal cavalry officer at present detailed as military commandant at the Oregon Agricultural College. This project is dependent on a call by the government for the enrollment of volunteer troops in addition to the existing force of organized militia.

"As a part of this movement it is proposed to recruit at least one troop, perhaps a squadron, in Umatilla county and Eastern Oregon. The idea of the promoters is that the 'Cov Counties' can supply a class of men peculiarly well fitted for cavalry service by reason of their familiarity with the use of horses and firearms.

"A blank form in the nature of a pledge of enlistment accompanies the letter. The explanation is made that this initial declaration will be considered tentative only. That, for the present at least, signers will not be expected to report at any rendezvous and that the obligation created will not cause any hindrance to or cessation of the daily work of those who may volunteer. But, in case the organization of this regiment is determined upon, signers of this pledge will receive notice which will include directions for reporting at a designated place for physical examination and if found qualified, for enlistment.

A Good Company.

A good company, producing good plays, is the status of the Vin Moore company, which is appearing at the Athena opera house this week. The company opened Monday night in "The Man of the Hour," after filling a week's engagement at the Alta theatre in Pendleton. Tonight the company will present its full strength in "The Lonesome Trail," a comedy drama in three acts. Tomorrow night the bill is "What Happened to Smith," a roaring three-act comedy, and for Sunday night, "The Man, the Girl and the Game," a Western comedy in four acts.

### Brothers Sent to Pen.

John and Travis McCullough, brothers, convicted of cattle stealing, were sentenced by Judge Phelps Tuesday, from one to ten years in the penitentiary. Both brothers were out on parole when arrested on the present charge, and it is believed they will serve several years before obtaining their freedom again.

## TROOPS ARRIVING IN STRIKE ZONES

STATE MILITIA RELIEVED BY REGULAR CAVALRY.

Strikers Guns Claimed To Be Property of Miners and Will Not Be Given Up.

With Federal cavalry troops arriving on the ground, conditions are quiet in the Colorado strike zones. State troops are being relieved as rapidly as the regulars are sent to points where disturbances have occurred and the militant strikers are said to be dispersing.

The federal soldiers now are patrolling the Fremont county district and regular troops under Captain Parker superseded the militiamen at Walsenburg. The regulars will occupy the Ludlow district today and the national guardsmen from both Walsenburg and Ludlow are expected to reach Denver tonight.

Thus far the strikers have surrendered no arms to the troops. Strike leaders are engaged in going about among the hills of Southern Colorado urging the men to disperse and return to their homes, but, according to John Lawson, international board member of the United Mine Workers of America, they have not been told to give up their weapons.

"Men in all walks of life fought with the miners in this conflict," said Mr. Lawson. "But they will not oppose the federal troops. They would not have opposed the militia had it not been for the gunmen affiliated with them. Now they are returning to their homes—those who have any left. The tent colonies at Ludlow and Fortes will be rebuilt.

"The guns are the property of our men," added the union leader, "and so far as I know, they will keep them."

The immediate withdrawal of state troops from the strike zones and the speedy disarmament of all mine guards are among the conditions named by the union leaders.

### School Apportionment.

The county school superintendent has made the April apportionment of the school fund, and the Athena district gets \$1,703. The apportionment is made on a basis of \$8 for each pupil in a school district and \$5 for each teacher who filed a certificate of in-state attendance. Pendleton district was apportioned \$16,175; Milton, \$6564; Weston, \$2,355; Freewater, \$2,318; Echo, \$1,720; Pilot Rock, \$839; Hermiston, \$2,318; Athens, \$1,723; Stanfield, \$1,182; Umatilla, \$679; Helix, \$504.
