Made a Bod Break.

"I think I must have made a bad break last Sunday," mused the fellow who saldom goes to church.

"You see, I got an alumni catalogue of my old school, and in looking through it I found that one of my classmates was the pastor of a Cleveland church. So I called him up, and he said that he was still preaching and that if I wanted to meet him I should come to church on the following Sunday morning, which I did.

"He introduced me to his wife, and she took me into the pow with her. Well, during the sermon I got very drowsy. I was nodding in the middle of the sermon, and the parson's wife touched me on the chow.
