A tract of land in the SE 1/4 of the NW 1/4 of Section 22, Tp. 4, N. R. 34 EWM, for school purposes for School District No. 17 in Umatilla County, Oregon, described as follows, to wit: Commencing at a point at the NE corner of a certain fence, said point being S. 31° 20' W. 33.74 feet, distant from the center of the N 1/2 of Section 22, Tp. 4 N. R. 34, EWM; thence West, 6 rods, thence South 13 33-100 rods; thence East 6 rods; thence North 13 33-100 rods to place of beginning, and containing 1/2 acres, said land being and lying in the School District aforesaid, and that judgment be entered appropriating to the plaintiff the lands above described in fee simple clear of all encumbrances together with all the rights and appurtenances thereunto belonging or in any wise appertaining for the use and purpose of School District No. 17, Umatilla County, State of Oregon.

School Notes.

School was in session only three days this week, it having been dismissed on Wednesday evening in order to give the teachers a chance to attend the annual county institute now in session at Pendleton.

The school will not be dismissed on election day. We shall hold that day in order that we may not have to hold school on Friday following Thanksgiving day.

The University of Oregon has presented each of the larger high schools of the state with a rose-bush from its campus. The original rose-bush from which these cuttings were made grows on the campus of Harvard University. The rose is of the Frau Druschki variety. As it would not be advisable to plant it in the school yard until the new building is completed, Mrs. M. L. Watts has kindly consented to keep it for us in her garden.

In the high school class contest involving attendance, scholarship, etc. the Senior class is still ahead but the Junior class is running a close second.

Some misunderstanding seems current as to the ages of pupils affected by the compulsory school law. The law says that it applies to all children from the day that they are nine years of age until the day that they are fifteen years of age. It provides for regular attendance for the entire term of school.

Amended.

Little Leander—Say, grandpa, give me a penny, will you? Grandpa—Why, Leander, you are too old to be begging for pennies. Little Leander—Yes, grandpa. Make it a dime, please.—Chicago News.

We have committed the Golden Rule to memory. Now let us commit it to life.—Markham.

AN EDITORIAL

By OSWALD WEST

Governor of Oregon

OREGON should go dry because there does not exist a single reason on earth why it should stay wet.

The war news from Europe strikes us with horror; yet this great war, with all its carnage, past, present and future, will not prove a drop in the bucket compared with the ravages which are being made throughout the land by booze.

We boast we are the greatest nation upon earth, and in our efforts to preserve this position we boast we must strive constantly to raise, or at least maintain, the standard of our citizenship, and to accomplish this end we must unceasingly fight organized greed and graft, stamp out poverty, vice and crime, protect the home and make life more pleasant for those who have been less fortunate than others. It is idle, however, to talk of progress along those lines so long as King Alcohol occupies the throne.

Who grabs the pay check from the honest workman on Saturday night and makes his wife and little ones go hungry?

Mr. Booze.

Who sows the seeds of poverty and distress everywhere?

Mr. Booze.

Who loads upon us most of our tax burdens?

Mr. Booze.

The Wets protest against our voting the state dry because it will close Paul Weisinger's brewery and be equivalent to the confiscation of his property, but they do not tell you how the brewery was built through the ruination of homes and the confiscation of pay checks. They do not tell you that every brick in the building represents a broken heart and the color of the building is emblematical of the blood which has dripped therefrom.

Whenever I think of the devil I think of booze, and whenever I think of booze I think of the devil, for the devil is booze and booze is hell.

Old Booze is an outlaw who has been long pursued but never subdued. At no time and under no circumstances should he be given quarter, and it is the duty of every good citizen to stand ready to sand-bag him whenever he sticks his head in sight. All Oregon will have a chance to sand-bag him on November 3, and for the Lord's sake let us make a good job of it.

IF YOU BELIEVE WITH GOVERNOR WEST, VOTE—

OREGON DRY, 332 X YES
