1. Hoddoon, Mr.—"I had pains in both sides and such a soreness. I could scarcely straighten up at times. My back ached and I was so nervous I could not sleep, and I thought I never would be any better until I submitted to an operation, but I commenced taking Lydia E. Pinkham's Vegetable Compound and soon felt like a new woman."—Mrs. Hayward Sowers, Hodgdon, Me.

2. SHELBYVILLE, KY.—"I suffered from a severe female trouble. My right side hurt me badly—it was finally decided that I must be operated upon. When my husband learned this he got a bottle of Lydia E. Pinkham's Vegetable Compound for me, and after taking it a few days I got better and continued to improve until I am now well."—Mrs. Mollie Smith, R.F.D., Shelbyville, Ky.

3. Hanovers, Pa.—"The doctor advised a severe operation, but my husband got me Lydia E. Pinkham's Vegetable Compound and I experienced great relief in a short time. Now I feel like a new person and can do a hard day's work and not mind it."—Mrs. Ada Wilt, 303 Walnut St., Hanover, Pa.

4. DECATUR, ILL.—"I was sick in bed and three of the best physicians said I would have to be taken to the hospital for an operation as I had something growing in my left side. I refused to submit to the operation and took Lydia E. Pinkham's Vegetable Compound—and it worked a miracle in my case, and I tell other women what it has done for me."—Mrs. Laura A. Griswoln, 2437 East William Street, Decatur, Ill.

5. CLEVELAND, OHIO.—"I was very irregular and for several years my side pained me so that I expected to have to undergo an operation. Doctors said they knew of nothing that would help me. I took Lydia E. Pinkham's Vegetable Compound and I became regular and free from pain. I am thankful for such a good medicine and will always give it the highest praise."—Mrs. C. H. country is scheduled for a boom almost unparallelled.

In order to overcome the depression that attacks a person in poor health it is necessary that particular attention be paid to the Stomach, Liver and Bowels. These organs are the controlling power in all matters pertaining to health and there is nothing will make you feel "so blue" and discouraged as to be without appetite—to be subject to spells of health and ache, indigestion, dyapepsia and billousness—or to have constituted bowels.

Nature never intended anyone to be in such a condition and the only way to improve matters is to give necessary aid promptly. This suggests a trial of Hostetter's Stomach Bitters, because it has an established reputation as a tonic and appetizer, and will be found very helpful in any Stomach, Liver or Bowel aliment. It is well known as a real "first aid," and for over 66 years has held a permanent place in thousands of homes. You will make no mistake in purchasing a than they are talking now. Impedimenta.

I cannot call riches better than the baggage of virtue; the Roman word is better, impedimenta; for as the baggage is to an army, so is riches to virtue; it cannot be spared nor left behind, but it hindereth the march; yea, and the care of it sometimes loseth or disturbeth the victory; of real riches there is no real riches there great riches there is no real use, except it be in the distribution; the rest is but conceit.—Bacon.
