Non-Tarnishing Steel.

Steel made by a new process and said to be non-rusting, unstainable and internishable has been brought out by an English firm. It is especially adapted to use in making table cut-lery, the claim being made that it retains its polish indefinitely with use even when brought in contact with foods. The cost of this steel is about double that of ordinary steel.

YOUR BLOOD

is the canal of life but it becomes a sever if clogged up. All life consists of building up and tearing down and just in the same manner that the blood carries to the various parts of the body the food that the cells need for building up, so it is compelled to carry away the waste material that's torn down. These waste materials are poisonous and destroy us unless the liver and kidneys are stimulated into refreshed and vigorous life.

Reliable evidence is abundant that women are constantly being restored to health by Lydia E. Pinkham's Vegetable Compound

The many testimonial letters that we are continually publishing in the newspapers-hundreds of them-are all genuine, true and unsolicited expressions of heartfelt gratitude for the freedom from suffering that has come to these women solely through the use of Lydia E. Pinkham's Vegetable Compound.

Money could not buy nor any kind of influence obtain such recommendations; you may depend upon it that any testimonial we publish is honest and true—if you have any doubt of this write to the women whose true names and addresses are always given, and learn for yourself.

#### Read this one from Mrs. Waters:

CAMDEN, N.J.—"I was sick for two years with nervous spells, and my kidneys were affected. I had a doctor all the time and used a galvanic battery, but nothing did me any good. I was not able to go to bed, but spent my time on a couch or in a sleeping-chair, and soon became almost a skeleton. Finally my doctor went away for his health, and my husband heard of Lydia E. Pinkham's Vegetable Compound and got me some. In two months I got relief and now I am like a new woman and am at my usual weight. I recommend your medicine to every one and so does my husband."—Mrs. TILLIM WATERS, 530 Mechanic Street, Camden, N.J.

#### From Hanover, Penn.

HANOVER, PA.—"I was a very weak woman and suffered from bearing down pains and backache. I had been married over four years and had no children. Lydia E. Pinkham's Vegetable Compound proved an excellent remedy for it made me a well woman. After taking a few bottles my pains disappeared, and we now have one of the finest boy babies you ever saw."—Mrs. C. A. RIGERODE, R.F.D., No 5. Harover, Pa No. 5, Hanover, Pa.

Now answer this question if you can. Why should a woman continue to suffer without first giving Lydia E. Pinkham's Vegetable Compound a trial? You know that it has saved many others-why should it fail in your case?

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for fe-male ills. No one sick with woman's ailments does justice to herself if she does not try this fa-mous medicine made from roots and herbs, it has restored somany suffering women to health.
