FIX & RADTKE
THE "MONEY BACK STORE," ATHENA, OREGON

Money is Going

We Shall Keep Those 10,000 Pennies Going

Ten per cent off means a LOT. Supposing you buy for cash every time you go to town and you go once or more times each week. That means 50 or more times a year and that you get 10 per cent cash (time making a total of over 520 per cent or more than five times the cost of the article. Can you see five of those articles laid in a row that you have saved by paying cash at Watts and Rogers?
Now here goes some cash bargains for Pioneer Picnic week. The time when we guarantee that some people are going home RICHER THAN WHEN THEY CAME and we will make that Home Fellow wish he had been there too.
We have six or eight new road carts, built alike, same style and color, look alike and ride alike. We defy anybody to show us one dollar's difference between any two of them. Prices for the two days of the picnic are \$6.50, \$8.50, \$10.50, \$12.50, \$14.50, \$16.50, etc.
Dandy bicycles worth \$25, \$30 and \$45. They will go the toboggan slide those two days at \$1.00 off each hour from 9 a. m. to 5 p. m.
We have six styles of washing machines and some of them will be put on the slide at 25 cents per hour off.
One of the best sewing machines made, a Rotary Standard worth \$45.00, we sell for \$35.00, also the New Royal worth \$30.00. Put a blanket over them and take you pick for \$25.00.
There will be three top and open buggies placed on the street each day at such prices that you will wish when you hand us the price; and as for wagons, just try us—nothing in them but we will give YOU something out of them.

Miss Zola Keen will appear on the program at the Pioneers' Picnic at Weston next week, when she will give "The Unknown Speaker," the election with which she won second prize in the county high school oratorical contest.
The Athena hose team in the race tomorrow will pull the old Walla Walla riding cart, which has a coast history. Fay LeGrow who used to run in the lead on the Walla Walla team, secured the cart for tomorrow's event.
Irving Brooks came home from Milton last evening with the championship cup of the Milton tennis tournament. He took three straight sets at singles from Plant, the ex-Mississippi state champion. Brooks won 6-3, 8-6 and 6-1.
Next Sunday's services at the Baptist church will be as follows: Sunday school at 10 a. m.; Children's Day program at 11 by the Sunday school. Preaching in the evening at 8 o'clock by the pastor, subject, "Rock of Ages." Rev. Milo G. Bentley.
Mr. and Mrs. Wm. Meleod and family will leave next Wednesday for Toronto and Eastern Canada, for a summer's visit with relatives. They may be accompanied by Mrs. Anna McIntyre and daughter, Miss Belle, who contemplate a visit to Canada.
Games and Fish Commissioner Marlon Jack came up from Pendleton Wednesday, and in company with Deputies Pruitt and Vincent, made a visit of personal inspection to the Pine Creek obstruction, with the result, according to Vincent, proper that steps will at once be taken by the Commission for the installation of a fish ladder.
Mrs. W. E. Dobeau received a telegram Tuesday afternoon announcing that her mother, Mrs. Downs, of St. Johns, Ore., had sustained a broken leg in an accident, and Mrs. Dobeau left Wednesday morning to attend her. Mrs. Downs, who is of advanced age, visited her daughter here a year ago, and has many warm friends in Athena who will extend sympathy.
Black Diamond, the beautiful black gelding owned by Milton Swaggart has the distinction of having never been defeated in the show ring. This year at the Milton horse show Diamond won first in the ladies' riding class. To his credit is proudly exhibited at the Swaggart home north of town, 17 ribbons won by him at different shows.
In Wednesday's East Oregonian appears the following item, which will be of interest to many in Athena, the bride having passed her early girlhood in this city, and graduated from the Athena high school in 1911: At the home of the bride's mother in Pendleton, Tuesday afternoon at 4 o'clock Miss Martha J. Gering and Raymond S. Bixby were made man and wife. Rev. B. F. Harper of Milton performing the ceremony. Among those present from out of town were Mr. and Mrs. A. A. Bixby, John and Louisa Bixby of Freewater and Mrs. A. Montague and children of Arlington. The young couple left on the evening train via Walla Walla for Tacoma and other Sound points.
Music Recital.
An interesting program was given Monday afternoon by Mrs. J. D. Plamondon's class in music at her residence. The parents and friends were present and noted the improvement made by pupils in rendering the following selections:
Theodore Lack, op. 54 Idyllic
Zola Keen
Coming of Spring..... George Eggleling
Arnold Koepke

The crowning feature of the afternoon was a vocal selection by Mrs. Myrienne Fraker Bites, of Minneapolis.
Quicksilver.
The ore from which quicksilver is obtained is a brilliant red rock known as cinnabar. When of high purity it is actually vermilion in color. Cinnabar is the original source of the pigment known commercially as vermilion. It is a compound of sulphur and quicksilver, and in order to separate the latter from the sulphur the rock is roasted. Passing off in the form of a gas, the mercury is afterward condensed and flows out in a fine stream, like a continuous pencil of molten silver. Like gold and silver, mercury is occasionally found in a native or pure state. Sometimes the miner's pick penetrates a cavity that contains a cupful or more of the elusive and beautiful fluid. Miners suffer much from the poisonous effects of the quicksilver fumes. Extreme cleanliness is the best safeguard for workers in this dangerous occupation.
Moving Picture Tricks.
Some of the most thrilling scenes in the moving picture dramas are taken with the aid of small models, which are considerably less than life size. It is much cheaper, of course, to burn up a toy building or to sink a miniature ship than to destroy an original. The models used for this work are carried out with great attention to detail, and the pictures are taken with the camera very close to the ground to get the proper perspective. The moving picture audiences, even when paying the closest attention, are completely deceived.—Boston Herald.

Johnston Continental Binder

HERE IS A LEFT HAND BINDER

That has given complete satisfaction. It is built to cut grain in the most economical way, maximum efficiency in the field with a minimum of trouble and repair cost. Practicability, ease of operation and features of merit all combined is what the users of Cutting Machinery are demanding today. These can best be found in the Johnston line of harvesting machinery.
The manufacturers of this line of cutting machinery were established in 1871 and today they are putting 43 years of knowing how in every machine that leaves their factory. Johnston Harvesting Machinery is being sold today in most all civilized countries. Much time and money has been spent in perfecting their line of machinery to meet the rigid requirements of the Pacific Northwest. A policy of the Manufacturers is to know that every machine is in perfect running order before it leaves the factory. This is an assurance that it will do the work when placed in the field. All machines are guaranteed to the work for which they are intended.
