A new swing is on exhibition at Foss & Winslip's in place of the one sold Monday. That it is practical and embodies strength was evidenced yesterday when Jim Myrick and Bert Cartano sat side by side and took a swing in point of demonstration.

Mr. and Mrs. A. L. Swaggart left Monday for Pendleton with their little son, Wayne, who has been in delicate health for some time following an attack of tonsillitis. It was Mr. Swaggart's intention, should it be thought necessary, to take his little son on to Portland for treatment by a specialist.

Bingham Springs and the rivers are being visited by large numbers of Athena people this week, who for the most part will live the life of the camper until after the Fourth. The management of the Springs have made preparations to entertain a large crowd.

Grain insurance is now requiring the attention of the wheat grower, and several special agents for different companies are assisting local company representatives. Among the specialists who have been in town this week was the veteran Gatrielson, dean of the Pacific coast bunch.

Hugh McIntyre and sons and Cass Cannon returned Sunday from an auto trip into Sherman county where Mr. McIntyre has farming interests. In some parts of that county grain appears to be standing the hot winds well enough, while in other parts, great damage has been done.

Reports from north and northwest of Pendleton, are to the effect that hot winds have damaged some fields of grain to the extent that no attempt will be made to harvest them. Some of the fields in this vicinity are believed to be damaged to some extent, while other fields show no evidence of damage in the least.

Mr. and Mrs. Henry Dell and daughter Lucinda and Mrs. J. H. Hitecamp camp up from Portland yesterday morning. Mr. Dell met the ladies at Portland on their return from San Francisco. A few days were pleasantly spent at the home of Mr. and Mrs. Edward Koonits in Portland.

What is the best showing, financially ever made in a statement to the comptroller of the currency, may be seen in that of today in the Press. The wonderful increase in deposits is evidenced by the total at close of business on June 25, of \$620,642.25, and cash and exchange on hand amounted to \$225,178.53. Loans and discounts amounted to \$487,167.13.

F. S. LeGrow and W. R. Taylor have left for Missoula, Montana, where they will assist George Drumeller of Walla Walla in putting on a Wild West show, at a three-day celebration, Drumeller, who recently purchased the Rodco outfit from Roy Raley and others, will also put on a big show at Seattle, during Potlatch week, for which he receives \$15,000.

Mr. and Mrs. I. W. Ware are pleasantly located in their new home, recently purchased of B. N. Hawks. They are in possession of the drug store, which will hereafter be known as Ware's Pharmacy. Mr. Ware was formerly engaged in the drug business at Pendleton, but of late years has been on the road as a traveling salesman for a wholesale drug house.

The "official" celebration in this neck of the woods will be held at Helix, Monday, July 5. In the little town on the Flat dwell hospitable people who will vie with one another in showing you a good time. The Athena Band will furnish music for the occasion, and many people of this city, who enjoy a good old fashioned celebration, will go to Helix on that day.

George Hartman Sr., Umatilla county pioneer, for many years a resident of the Weston neighborhood, ex-actor and ex-judge of the county, and of late years a resident of Portland, died Sunday morning at Hot Lake, from heart disease from which he had been a sufferer for some time. The body was taken to Portland Monday by his son, George Hartman, Jr., and other relatives for burial.

Weston Mountain people have made great preparations for holding a celebration tomorrow in Bryson's grove. Many people from Weston and adjacent country will attend the celebration. A picnic dinner and a beef barbecue will be among the features of the day, while races and sports will take place in the afternoon and fireworks will be the method of entertainment in the evening.

Since Monday afternoon, Wm. Tompkins of this city, has been lying at the point of death at the hospital in Pendleton, and there is said to be practically no hope for his recovery. Monday afternoon, Drs. Keeler of Walla Walla and Sharp of this city performed an operation, since when the patient has been very low. The operation is said to have disclosed a bad affection of the liver. His family have been at Pendleton during the week, and friends have also gone from here to attend him.

Manager Osborn of the pennant-winning Athena ball team, would like to have a special train carry Athena fans to Pilot Rock, Sunday July 11, at which time the second game in the county championship series will be played. He has taken the matter up with Agent Mathers of the O. W. R. & N. Co. and it may be that the special will be secured for that day. In event the train runs, a large crowd will go to the Rock from Athena and Weston, both towns being almost equally interested in seeing Athena's East End league team win from the Blue Mountain league winners.

In spite of the inclement weather last Friday, more than sixty people attended the Baptist Sunday school picnic in the grove at the home of Rev. and Mrs. M. G. Bentley at Paradise, where tables had been prepared to receive the contents of the well laden baskets brought by the picnicers; 42 of whom arrived at eleven o'clock in Hut's big truck, others to the picnic ate at Mrs. Winslip, Mrs. Plamondon and Frank Berlin. The host and hostess proved themselves excellent entertainers as their big bonfire and hot coffee put new life into the damp picnicers; and with a splendid dinner and a cherry orchard at their disposal, the sun having at last appeared, they felt there was nothing left undone that would add to the enjoyment of the occasion. On their return home late in the afternoon all were profuse in their thanks to Rev. and Mrs. Bentley for their generous hospitality.

Doug Flynn was in from the John Day country the fore part of the week. Doug will be remembered in Athena as one of the best riders ever seen here, having ridden on the range for many years. However, he has about given up the saddle for the plow, and is also the proud owner of one of the few threshing machines in his part of the country. His principal diversion while here this week, was to ride on one of the rest leaders of Jack Taylor's "White Hope" automobiles; just to show 'em that he could "out-juer." Taylor humored Flynn along until he got a chance to slip one over. Did he slip it? He did. He drove Doug to Pendleton, and the Utah auto stage had left and right then Taylor saw the chance. Result: the wildest ride Flynn ever took. Cracks, skidding around curves in a Barney Oldfield, taking ditches on the high, all were the same to Taylor and his machine, until the stage was overtaken this side of Pilot Rock. Flynn was tumbled aboard and given the high sign.

Co-operative thinking is the biggest problem that confronts the farmer today.

No farmer can afford to buy a thing he can raise, no matter how cheap it is.

Co-operation is the force that keeps the wolf from the door.

Is your farm declaring dividends, or are you in the tenant class?

A farm is a business establishment, and should be so operated.

A farm should be operated for net, not for gross results.

The net results of good farming are profits, success, a growing business and a good living.

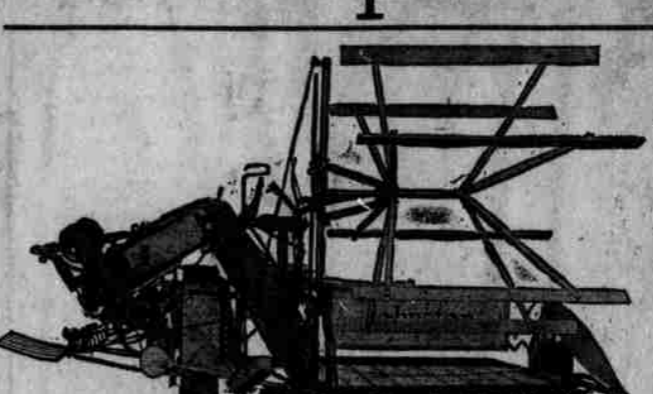

The farmer should take all uncertainty out of securities before applying for a loan.

What an impression throughout the land is being made by the fact that the farmer should himself run the business and not be a "sothee."

Johnston Continental Binder

HERE IS A LEFT HAND BINDER

That has given complete satisfaction. It is built to cut grain in the most economical way, maximum efficiency in the field with a minimum of trouble and repair cost. Practicality, ease of operation and features of merit all combined is what the users of Cutting Machinery are demanding today. These can best be found in the Johnston line of harvesting machinery.

The manufacturers of this line of cutting machinery were established in 1871 and today they are putting 43 years of knowing how in every machine that leaves their factory. Johnston Harvesting Machinery is being sold today in most all civilized countries. Much time and money has been spent in perfecting their line of machinery to meet the rigid requirements of the Pacific Northwest. A policy of the Manufacturers is to know that every machine is in perfect running order before it leaves the factory. This is an assurance that it will do the work when placed in the field. All machines are guaranteed to the work for which they are intended.

Had bought ten lbs of nails, ten boards of lumber and perhaps ten sacks of blacksmith coal. On arriving home you find you have only 9 pounds of nails, and in measuring the lumber you are short a whole board and when unloading the coal there were only 9 sacks. GEE! Wouldn't you come back with a holler? A firm about our size would be "robbers"—Eh?

Now we are doing that very thing with our cash customers, bottom-side up. We take pay for 9 lbs of nails and give you 10. We deliver to you twenty boards of lumber and take pay for 18. You get 10 sacks of coal and we take pay for 9. We smile and ask you to come again—
