HOUR OF EVENT HELD SECRET TO LAST

Couple Go for Honeymoon to Hot Springs, Va. - Episcopal Ring Service Used in Wedding.

Washington, D. C.—President Wilson and Mrs. Edith Bolling Galt were married here at 8:30 o'clock Saturday night, with a simple ceremony spoken in the bride's home in the presence of fewer than 30 guests, virtually all of whom were relatives.

They left soon afterward for a two weeks' honeymoon in the South, at Hot Springs, Va.

The President dined as usual at the White House at 7 o'clock with his daughters and afterward drove to his bride's home, about a mile from the executive mansion. A cold, driving rain, which swept the city all day, cleared off at sunset and the evening was cool and pleasant.

Everything was in readiness for the ceremony when the President arrived and it proceeded without music. Neither the President nor Mrs. Galt had any attendants and there were no unhers or flower girls. Neither the army, the navy nor the diplomatic corps was represented and the occasion was essentially what both had wished the above wedding.

On the first floor of the bride's home, in two communicating rooms, a wedding hower had been arranged with a background of farbyanse and maidenhair ferns, which extended from the floor to the ceiling. Overhead there was a canopy of green in the form of a shell lined with Scotch heather. In the background and at the center was placed a large mirror, framed with orchids and reflecting the scene.

At once Dr. Smith began the words of the Episcopal marriage service, the President making his responses first, and then the bride making hers. After the bride promised to "love, cherish and obey," the President placed the wedding ring, a plain band of gold, on her finger and then, after a prayer and while the couple classed their
