# 90-MILE GALE WITH LIGHTNING, REAL WARFARE IN TRENCHES PLANNED

Senator Chamberlain Proposes **Object Lesson for Congress.** 

## POSITION NEAR WASHINGTON DESIRED

### **Demonstration of Actual Operations** in Field Would Enlighten Members of Lawmaking Body.

Washington, D. C.-Congress will have an object lesson in preparedness or modern warfare, if Senator Cham-berlain, of Oregon, chairman of the senate committee on military affairs, accessived to illustrate graphically the conserved to illustrate graphically the conserved to illustrate graphically the conserved to illustrate graphically the senate committee on military affairs, will propose that a division of regular troops or of regular and Na-tional Guard troops be assembled at the nearest witabe point to Washing-on. He would have these troops when mobilised dig trenches and other. Manage the position would not be been developed by troops and no men would be under fire at any time, the Senator for the opinion that the attack would furnish a more valuable object lesson durine a more valuable object lesson the senate and the position of the senate furnish a more valuable object lesson the senate and the senator of the senator furnish a more valuable object lesson the senate and the senator of the senator furnish a more valuable object lesson the senator of the senator furnish a more valuable object lesson the senator of the sena

Mr. Chamberlain believes that after witnessing the mobilization of a divis-ion and an attack of this character ion and an attack of this character senators and representatives would re-turn to Washington better prepared to legislate for the equipment and training of an army required by mod-ern conditions of warfare. Here are some of the issues which would be illuminated by such an object lesson:

would be illuminated by such an object lesson: First-The training, organization and discipline necessary if a division is going to dig itself in properly and otherwise prepare for the defense of any position it may hold. Becond - The difficulties attending the defense and attack of a position and the training and discipline abso-lutely essential if such defense or at-tack is to be made. Third-Effect of high explosive shell and grenade fire and what it means to have to face it. Fourth-Our lack of heavy field grues needed to smash infantry trenches. Fith-How difficult it would be for us to mobilize one complete division of an army.

which is the manness with the of an army. "I am constantly impressed with the difficulty of creating a thorough under-standing of the necessity of providing adequate National defense," said Sen-ator Camberlain. "People read how battles are fought they are of

"People read how battles are fought nowadays in Europe, but they are of the preparation to fight such battles."

Chinese Lilitor is Assassinated in San Francisco Banquet Hall San Francisco-Wong Yuen Yung, former editor of the Asiatic News, a paper published at Shanghai, as the official organ of Chinese favoring a ra-turn to the monarchial form of govern-ment, was shot in the back and killed while statending a Chinese Christman banquet here Saturday night. The assassin escaped and was unrec-

ognized. Wong had taken his Christmas dinrer in a private dining-room with C. Y. Kuo and C. T. Loh, both Chinese commissioners to the Panama-Pacific exposition from Chili provnice, China. In the adjoining banquet hall hun-dreds of prominent Chinese were seat-ed at dimen. pedition against Yuan Shi Kai" is the

NORTHWEST MARKET REPORTS; SNOW AND RAIN SWEEPS EAST

New York-Ose of the weirdest storms the East has seen in many parse-rain, bail and snow, accom-panied by thunder and lightning and a gale that reached as maximum velocity of 90 miles an hour-descended from the northwest early Monday as the af-ternath of a Christmus fog. It indi-rectly caused seven deaths in this city, carried down telegraph poles, damaged phipping, crippled railroad traffic and caused coniderable property damage. The phenomenon of thunder and lightning in the midet of driving snow wakened New Yorkers at the height of the storm about 7 o'clock. Twenty-five persons aboard 15 canal boats driven saboro off Sandy Hook were rescued by the coast guard crew. A barge sprang a leak and sank 12 miles east of Ambrose Lightahip, Sowm Eric railroad barges loaded with automobiles sank in the East river. The deaths in the city resulting from the gale all occurred while the blind

No Lowering of Apple Standards.

Spokane — Refusal to sanction any lowering of the standards of grade and pack featured the annual conference here Thursday of Washington fruit

growers. The warmest fight of the day centered around an attempt to allow the

putting of worm-stung apples into the fancy, or No. 2, grade. The Yakima Valley delegation led the battle in favor of the plan, but was beaten by a vote of 160 to 20, the opposition being

championed by the Wenatchee growers. The fruit men also voted, 90 to 86, o exclude worm-stung apples from the "C" grade. In the heated debate that preceded the vote J. S. Sugrue, of

#### Cavere, leader of the Wenstchee dele gation, said sentiment in his district was that eventually there would be only two grades of apples, and that the Wenatchee growers favored the estab-

Wenatchee growers favored the estab-lishment of a combination grade to in clude both the fancy and "C" grades. He urged that the development of the by-products industry, prefarably by the growers themselves, would have to be depended upon to handle the large ton-nage of cull fruit. Fortund, at a total for the stab-the growers themselves would have to be depended upon to handle the large ton-nage of cull fruit.
