GENERAL ADVERTISING

Homer I. Watts

Republican Candidate for Nomination as District Attorney.
My platform: "To Do My Duty."

Ed Wright of Union County.

Republican Candidate for Public Service Commissioner.

Some of the reasons why he should expect Republican votes at the coming primaries:
A bona fide and continuing resident in Eastern Oregon for thirty-eight years. (Born in Union county.)
A record for honest, conscientious and efficient service in public office.
A consistent Republican.
A reputation for good judgment, fairness and honesty.
An invitation to the public to investigate by reference to any reputable farmer, banker, merchant or other business or professional man in Union county.
His platform: "Conscientious service to the State at all times, demanding absolute fairness."

James M. Kyle, of Stanfield

As a candidate for nomination on the republican ticket in the office of Public Service Commissioner from the Eastern Oregon District, I promise if elected I will endeavor to administer the office so as to encourage the advent of people and capital into the District and the State for the greater development and improvement of its manifold resources, the same time holding all corporations to strict accountability under the law. James M. Kyle, Stanfield, Oregon.

Burgess for Justice Hughes.
State Senator J. N. Burgess of Umatilla county, who this week filed for delegate to the Republican national convention, comes out strong for Justice Hughes for president, if he is available, and for revision of the tariff.

"HOME" to me is some place whar thar's real affection an' good cookin', entirely surrounded by pipe smoke.

ONE of the greatest "comforts of home" is a tin of VELVET. For VELVET'S age-mellowed flavor puts the "seasoned" taste into every pipeful.

Velvet Pipe Tobacco Co.

Mr. In his statement he says: "If I am elected I will use my best efforts toward the nomination of a man for president whose political ideals are along progressive lines, but whose fidelity to the best traditions of the republican party is unquestioned. I prefer Hughes, if he be available. The country needs a man who values performance more than promise, and who will place true Americanism ahead of political expediency. I favor a revision of the tariff by republicans. I approve the platform recently adopted by the republican party of the state of New York, and believe it can be used as a foundation in the adoption of a national platform." Mr. Burgess is a candidate from the second congressional district, comprising Eastern Oregon and is well known all over the state as a staunch republican with high ideals and a capable and energetic statesman. He has served two terms in the state senate from Umatilla county.—Paid Adv.

Law Enforcement.
Omer E. Smith, candidate for the republican nomination for district attorney, who has been pretty well over the country, says that he finds the sentiment strongly in favor of the very strictest enforcement of the prohibition law and also many of the other laws on the statute books which have been neglected in the past. But the people everywhere, regardless of past preferences are now strongly in favor of the most rigid enforcement of the new law and they want to see it carried out in both the letter and spirit. It is the one big item, he says, in the present campaign. Mr. Smith is making a very favorable impression wherever he goes and is confident he will secure the nomination.—Paid Adv.

Motor oil made from asphalt-base crude gives best lubrication with least carbon. Such is the testimony of motorists and experts alike. As Lieut. Bryan, U.S.N., puts it: "Oils made from the asphalt-base crudes have shown themselves to be much better adapted to motor cylinders, as far as their carbon-forming proclivities are concerned, than are paraffine-base Pennsylvania oils." Zerolene is scientifically refined from selected California crude— asphalt-base—not only made from the right crude but made right. Dealers everywhere and at service stations and agencies of the Standard Oil Company.
