A BETTER DAY'S WORK

That's what a McDougall Auto Front Kitchen Cabinet will mean in your home. You can get up a meal in about half the usual time—the time saved will enable you to do many other tasks, it means elimination of kitchen slavery. The time and drudgery saved will soon pay for one of these great labor savers. Nor is this all, for the saving of food stuffs is no small item.

No other cabinet has so many real, worth-while improvements as the McDougall Auto-Front—just about everything you could wish for is included, every improvement found on other cabinets and a lot of exclusive, patented McDougall features besides.

A McDougal Cabinet

In your kitchen is no expense, but real economy for it soon pays for itself and then keeps on doing it over and over again. McDougall Cabinets are splendidly built—made to last for generations. They are finished in a handsome, hard, durable varnish which even hot water will not mar or turn white.

We have lots of these fine Cabinets to dispose of at special prices and on special easy terms. Come and see them if possible. If you can't come, phone or write and we will send full particulars.
