AMERICANISM DEMANDED

Charles E. Hughes' Acceptance Speech Belinho Dallier Sets Forth Campaign Issues and Asserts American Rights.

Charles E. Hughes outlined in his Mr. Hughes said it was plain that speech of acceptance in New York,
Monday night, the issues upon which
he will conduct his campaign for the
presidency.

Mr. Hughes assailed the administration.

To make peace lasting and effective

American rights during the European war, preparedness and other great questions of the day. He declared for a new policy of "firmness and consistency" toward Mexico, for "the unflinehing maintenance of all American rights on land and seas," and for adequate National defense; adequate protection on both our Western and Eastward and the season of the s

ern coasts,
"We denounce all plots and conspiracies in the interest of any foreign form."

nation," said Mr. Hughes, "Utterly intolerable is the me of the man of the me of intolerable is the use of our soil for alien intrigues. Every American must unreservedly condemn them and sup-port every effort for their suppres-

The nominee assailed the administration for its "direction of diplomatic intercourse" from the beginning, de-claring that where there should have been conspicuous strength and expert-ness there had been weakness and in-expertness. He cited Santo Domingo as an instance where appointments had gone to "deserving Democrats" and to Herrick at his post in Paris after the war had started as "a lamentable sacrifice of international repute."

platform in favor of woman suffrage," Mr. Hughes declared, and he added: "Opposition may delay, but in my judgment cannot defeat, this move-ment. I favor the vote for women."

ment. I rayor the vote for women.

One-fourth of the speech was devoted to Mexico. Step after step taken by the administration with reference to Mexico was assailed, from the days MOTOR PARTS MFG. CO.

Early High Prices Paid for

The man who globe-trots for a living met an old pal from his native village.

"How do they all go at home?" he inquired. "What's happened to Bill Smith and Joe Parkins? I suppose they've joined up?"

"Yes, they be gone," said his companion sadly.

"Well, and how's old Mrs. Brown?
I'd like to see her again." remarked **Prunes Not Repeated Now** Portland-The prune crop outlook in the Northwest is enitrely satisfactory and a record crop now seems assured.

One of the leading packers estimates "Well, and how's old Mrs. Brown?
I'd like to see her again," remarked
the traveler.
His friend started to sob.
"You'll never see poor Mrs. Brown
again!" he walled. the yield at 40,000,000 pounds. The largest crop heretofore was about 30,-000,000 pounds, produced eight or nine years ago. Since that time many new "Come, come! I suppose you mean she's dead. But remember, we all orchards have come in. Because of meet after death."
"Yes," said the friend; "but you'll never see her again. Mrs. Brown's gone to heaven."
And the air grew decidedly chilly. the increase in acreage, even if the crop were on a parity with last year's, the above estimate, it is believed,

would be realized;
The market at the present time is weak and the future for values is not so bright. There was considerable To keep clean an healthy take Dr. Pierce's Pleasant Pellets. They regu-late liver, bowels and stomach. so bright. There was considerable early contracting, packers paying the growers 6½ to 7 cents for 30-35s, with a quarter-cent drop for each count of 5s. These were the highest prices paid for many years, and between 25 and 30 per cent of the crop was signed up, but the quotations are not obtainable now. In fact the leading packers Teacher-Willie, what is a quadruare out of the market as buyers for the reason that they are unable to get orders from the East. Jobbers in the Eastern states bought only limited Eastern states bought only limited quantities, owing to the high prices, but they declare they have enough prunes engaged for the present, and are satisfied there are more prunes to be had later on the Coast than are required for United States consumption. Furthermore, they assert there will be a construction of the article was a construction of the battleship, "but is ut thrue that it costs sivin hundred dollars to fire was o' thim big guns?"

"Ye'll excuse me, captain," said o'Harrity, addressing the commander of the battleship, "but is ut thrue that it costs sivin hundred dollars to fire was o' thim big guns?"

"Ye'll excuse me, captain," said o'Harrity, said throught out a shop, where an obliging assistant brought out a selection for her to try on.
