ITALY DECLARES WAR ON GERMANY

Formal Action Against Kaiser Result of Pressure by Allies.

MILITARY PHASE UNCHANGED

Both Countries Have Been Drifting Steadily Toward Break—Troops

Italy's position in regard to Germany has been an anomalous one since many has been an annual that the Triple Alli-ance May 23 of last year and declared war on Austria. Although by this act she arrayed herself against her former allies, Germany and Austria, she re-mained officially at peace with Ger-

many until Sunday, Before Italy took this step Germany exerted every effort to induce her to remain neutral, sending to Rome as an ambassador Prince von Buelow. prince for some time averted war be-tween Austria and Italy, and when he saw a rupture was inevitable took steps toward preservation of an official peace between Germany and Italy. He negotiated a special agreement under which, in case of war between Austria and Italy, Germany and Italy pledged themselves to respect the properties and lives of their respective

subjects in one another's domains.

According to unofficial reports from Europe, Italy's allies were dissatisfied and at the Paris council of entente powers in February last asked the Ital- world. ian representatives why their nation was not at war with Germany. Italy already had agreed not to conclude a separate peace and at the Paris conference sanctioned the plan for a per manent high council of the entente powers for future conduct of the war.

The increasing co-operation among the entente allies and the necessity for bringing into service Italy's surplus of troops gradually brought Italy into such a position that it became evident a declaration of hostilities against Germany was certain. The first overt act in this direction

occurred shortly after the Paris conference, February 29, when Italy requi-stioned 34 of the 37 German steamships interned in Italian ports to help meet the pressing need of the allies for shipping facilities. Other indications of approaching war have been observed in recent weeks.

U. S. Fleet "Sunk;" "Enemy" Lands Army on Long Island

The full extent of the "Red" losses was not known, although early reports showed that they included the super-dreadnaughts Nevada and Texas and

German Liner Is to Sail. Boston - The North German Lloyd liner Willehad, which has been interned here since the beginning of the war, secured clearance papers and is expect-ed to sail for New London, Conn. It was said the vessel's departure has nothing to do with the expected arrival at the Connecticut port of the mer-chant submarine Bremen, but that the change was decided upon because of more favorable docking facilities. The liner is expected to pass through the Cape Cod canal and to keep well within the three-mile limit,

Abduction Plot Fails. Boise, Idaho — Mark A. Lufkin, Davis McLoy and Ralph Cuselt were landed in jail at St. Anthony, Idaho, Sunday and are held on a charge of plotting to abduet Roland Harriman, the 16-year-old son of Mrs. E. H. Har-timan, widow of the west females iman, widow of the great financier. Some weeks ago a foreman on the Harriman summer ranch, on the upper Snake river, received a letter signed by two of the men, in which they broached the project of abducting the boy and holding him in the fastnesses

Word "Cilk" Held Deceit. New York-The Federal Trade Com mission has issued an order directing the Circle Cilk company, of Philadel phia, to discontinue using the word "cilk" in reference to any of its products other than real silk in connection with sales, trademarks and advertising matter. The commission held that the use of the word "cilk" for products made of mercerized sea island cotton thread was deceptive. The decision is looked on as a precedent.

Rome—Italy Sunday declared war on Germany.

Italy and Germany have been drifting steadily toward war. The declaration became inevitable when Italy recently sent troops to Saloniki to cooperate in the campaign of the entente allies on the Macedonian front, as Germany is directing the opposing forces and has troops on this battle line.

Last Chance to Avert Strike Appears To Lie in Action of Congress Fruit and Melons Meet With

Good Demand at Tacoma

Tacoma - Large consignments of fruit and melons are arriving in Ta-coma this week from California and Yakima districts, and the demand is almost as great as the supply. Peaches and cantaloupes lead in popularity among the fruit and melons, while Yakima tomatoes are the most popular vegetables being received. The end of the season for red raspberries and loganberries is at hand, but small receipts are still a daily occurrence.

Yakima cantaloupes are fast replac-ing the California product, although the latter are of better quality. The Yakima cantaloupes are small and are a little green yet. Elbertas are off the market at present, the California crop having gone and the Yakima crop being as yet unripe. A few Elbertas ades are meeting with a to the other. good demand.
