Home Comfort

Our indoor life begins once more. For the next six months our love for the beautiful must be satisfied with "indoor" things—beautiful furnishings, beauty in the home. Our thoughts turn to easy chairs, the fireside rocker, the big easy davenport, attractive rugs and draperies, to heating stoves that radiate cheerfulness as well as warmth—the piano and the phonograph—the things which make the home the abiding place of contentment and happiness.

Like a juicy steak when you're hungry—they satisfy!

You know what a thick, juicy steak does for your hunger. Chesterfields do exactly the same thing for your smoking—they satisfy!

But, besides that—Chesterfields are mild!

This combination of mildness with "satisfy" is an achievement new to cigarettes. Chesterfields give smokers what they have always liked (mildness), united with a new kind of enjoyment—"satisfy!"

No cigarette, except Chesterfields, can give you this new enjoyment, because no cigarette maker can copy the Chesterfield blend!

Try Chesterfields—today!

The Chesterfield Blend contains the most famous Turkish tobaccos—SAMSOUM for richness; CAVALLA for aroma; SMYRNA for sweetness; XANTHIFOR for fragrance, combined with the best domestic leaf.
