PARTY SUFFRAGE RECORDS

Only Democratic Congressmen Appeared for Action.

Congressman C. C. Dill, of Washington, cites the records of the committee hearings on suffrage in Congress to prove that "the only Congressmen who have gone before the Judiciary Committee of Congress this year to ask that a suffrage amendment be voted upon have been Democratic members." He adds that "no others have appeared to ask for consideration of the measure. That is, I think, sufficient answer to any claim that the Democratic Party opposed Woman Suffrage."

This record need only be supplemented with the personal voting history of the rival Presidential candidates to show who is the real friend of suffrage. President Wilson made two trips from Washington to New Jersey to register and vote for Woman Suffrage when it was submitted in his State. Candidate Hughes did not take the trouble to register or to vote the same year—1915—when the suffrage amendment was submitted in his state.

"There is no means of judging the future except by assessing the past. Constructive action must be weighed against destructive comment and reaction." — From President Wilson's Speech of Acceptance.

Well informed. "There goes a man who has delved in the Roman history." "An authority on the subject, eh?" "Sure. He knows lots more about Julius Caesar than the average voter knows about his congressman." — Spokane Review.

Milestones in Life. "Did anything ever feel more conspicuous than your first long trousers?" "Only the vast expense of my first dress shirt." — Louisville Courier-Journal.

Nothing to it. His Wife—Never mind if you have lost everything. You still have me. Mr. Hustup—But you're not an asset; you're a running expense. —Judge.

Prejudice corrupts the taste, as it perverts the judgment, in all the concerns of life. —Racine.

blame it on watts
