### School Notes.

(Continued From Page 1.)

torical contest held in the auditorium last Friday evening, those chosen to represent the Athena school in the Sectional contest to be held this evening in the auditorium, were as follows: Division D, Elmo Russell; Division D, Mildred Winship; Division B, Zola Keen; Division A, Florence McLennan. The last two speakers had no opposition. The interpretation of each speaker was excellent, and all of the contestants received special commendation. In addition to the speaking, a delightful musical program was rendered, the vocal duets in costume of Richard Cantano and Boulah Banister, and of Jeannette Miller and Savannah Smith and the solo by Velva Mansfield being greatly appreciated. The schools of Milton, Freewater, Weston, Ferndale, Umpine, Athena and vicinity, compose the section which will be represented this evening. A special program other than the contest has been prepared.

With the choice of Rev. Bertram H. Warren of The Dalles, as speaker, the arrangements for the High school Commencement exercises to be given on May 18 have been completed. The members of the Senior class have received their commencement announcements and will send them out to their friends in a short time.

Emery Worthington's town team again met defeat at the hands of the local High boys by a score of 8 to 4 last Friday afternoon in a seven inning game. Although the town team was strengthened by using a Pendleton High school battery and first baseman, they failed to avenge their past defeats. Both sides played a loose game and errors were numerous. This afternoon Athena High will go to Umpine to play the first game away from home this season. The strength of the Umpine team is not known, but they will doubtless make it interesting for Athena.

Milton High again defeated Athena on the Milton diamond yesterday afternoon, by a score of 11 to 5. Chick pitched for the locals and allowed only three hits. Errors were responsible for most of Milton's scores. All of the scores made by the locals were earned.
