Correct Lubrication

for the "T"-Head-

Type Engine

The "T"-Head, illustrated here, is one of several types in popular use today. Engines of this type, like all internal combustion engines re-

bustion engines, re-quire an oil that maintains its full lu-

bricating qualities at cylinder heat, burns clean in the combus-tion chambers and

goes out with ex-haust. ZEROLENE

fills these require-ments perfectly, be-cause it is correctly

refined from selected

California asphalt-base crude.

ZEROLENE is made in

several consistencies to meet with scientific ex-actness the librication needs of all types of au-tomobile engines. Get our "Correct Lobritation Chart' covering your car, At dealers everywhere and Standard Oil Service Stations.

Experts Say, "Zerolene Is Better"

Why are the majority of cars now lubricated with ZERO-LENE? Because-

ZEROLENE does hold better compression, does give better protection to the moving parts, does deposit less carbon. And this is the testimony of the leading automobile distributors

of the Coast. They know from the records of their service department—and we know from exhaustive tests -that ZEROLENE, correctly refined from selected California asphalt-base crude, gives per-fect lubrication with less wear

and less carbon deposit. ZEROLENE is the correct oil for all types of automobile engines. It is the correct oil for your automobile. Get our lu-brication chart showing the correct consistency for your

Glenn Estes who has been employed at Ware's Pharmacy for several months has resigned his position and will take a vacation before entering the service. He will endeavor to enlist in the navy.

Henry Barrett is threshing his grain in bulk this year. A caterpillar trac-tor is pulling the combine and grain wagons are attached to the machine, proving a convenient and satisfactory way of grain handling.

A little daughter was born to Mr. and Mrs. Melville Johns. Saturday evening, July 27th, at Mrs. Nichols', Maternity hospital in Pendleton. The young lady has been named Neillie May, n honor of her two grandmothers.

Vern Dudley is operating his father's caterpillar tractor in hauling wheat from the machine to the Preston-Shaffer mill. The big tractor hauls six tanks of wheat. A team of nules is used to pull the wagon onto

breaking a bone. He came home on crutches, since which time he has been nobbling around, fraternizing with his Athena friends.

A new electric motor will be in-stalled at the Zerba Garage. It will

The Thorn Hollow bridge is now bethat run had charge of the work in
the used, although the approaches are
not in first class condition. Arthur
Douglass drove the first automobile

Note: The Thorn Hollow bridge is now bethat run had charge of the work in
the absence of Mrs. Sharp. New
workers were Mrs. M. M. Johns of
Vancouver and Miss Burton, recently

Postmaster Henry was in the fish husiness Monday evening, but only for a short time—no longer than he could procure a spade and bury the catch. Some one shipped a consignment of trout by parcel post, and en route, the temperature did the rest.

Wheat delivered at the Farmers' Grain Agency is being handled through the old Taylor warehouse. The grain is being elevated directly into the cars, which are shipped to coast terminals, after being weighed on the Tum-a-lum Company scales. .

Hale creek, Morrison canyon and plate taking an automobile trip to Attle Dry creek, near Weston were Willamette valley points in the near converted into raging torrents Wednesday of last week when a cloudburst struck their watersheds. The little streams overflowed their banks, causing some damage to gardens.

With favorable weather conditions a lange acreage of grain has been har-vested in Umatilla county this week. There are a large number of machines in the Athena district and with continuance of good weather the last of next week will see the barvest here practically over.

Hereafter, W. S. Ferguson intends sowing barley in the fall. While his spring sown crop of that grain turned out better than expectations, going about 50 bushels per acre, Mr. Fer-guson believes it to be good business o take a chance for larger production by sowing in the fall.

At the Raiph McEwen place north-east of Athena A. U. Keller of this city met with a painful accident Sat-urday evening when he was thrown from the threshing machine which nearly toppled over. The fall resulted in Mr. Keller receiving a severely sprained back and ankle.

Weston Leader: Miss Norma Smith, daughter of Mr. and Mrs. E. M. Smith of this city, was united in marriage July 23, at the Methodist parsonage in Pocatello, Idaho, to Mr. Charles H. Sumption. Mr. and Mrs. Sumption will make their home in Boise, where the bridegroom is engaged in business.

Oswell Douglass, well known in Athena, grandfather of Arthur Doug-lass, died at his home in Weston Monday after a long illness. He passed away at the ripe age of 87 years, 11 months and 15 days. Funeral services were held at the United Brethren church in Weston, Wednesday afternoon at 1 o'clock.

The Athena Girls' Honor Guard will hold a cooked food sale at the Stephens & Hassell store, Saturday, August 10. Ladies of Athena and vicinity are requested to assist in the enterprise, with donations of any sort for the sale. The Honor Guard members will meet at the home of the leader, Mrs. Has-sell, next Thursday afternoon.

William Hogoboom, one of the best known horsemen of the Northwest. died Wednesday at his home in Walla Walla, and will be buried there today. His death was due to cancer, as the result of being thrown from a sulkey in a race at Spokane a year ago, when he sustained a couple of broken ribs, cancer developing from the injury.

Three members of the Oregon Mil tary. Police are making their head-quarters in Athena, and will remain here until after the harvest season, their duties to patrol the farming sec tion on the lookout for field fires, law less acts of any nature and to round up suspicious characters generally. They are keeping bachelor quarters in the city hall building.

The new pastor for the Athena Christian church, B. B. Burton, arrived Saturday from Winterset, Iowa, and Sunday morning made a short introductory address to his congregation. Mr. Burton, who is accompanied by his 17-year old daughter, very re-cently suffered the loss of his wife, in lows. He has taken possession of the Christian church parsonage.

Sidney Murphy, well known here, made his first flight in the air last Thursday, at Mather Field, Mills Station, California. He is enthusiastic in praise of his branch of service, and says "it was certainly great, and worth the twelve weeks hard work to go gliding along up there in the clouds at 3000 feet elevation, at the rate of

Jerry Stone, and will give possession September 1. In the meantime Mr. and Mrs. Dell and daughter Lucinda will spend several weeks in California, Mrs. Dell and daughter leaving for there yesterday. On their return from California the Hiteman residence on Fifth street will be put in readiness for their occupancy.

The union services of the churches in Athena continue in favor, and it is announced that the scrmon next Sun-day evening will be preached by Rev. B. B. Burton. The special song will be given by Mr. and Mrs. W. C. Emmel, who will be heard in a vocal duet.
Last Sunday a good congregation
gathered to hear Rev. Baker, and the
violin solo by Kohler Betts, a promising young violin student, accompanied
by Mrs. Stephens, was greatly en-

A smut explosion occurred Monday of last week in the separator of Key, Johnson & Booher, while at work on the Johnson place, reports the Leader, but as luck would have it, the machine did not catch fire and no damage re sulted. The smut blew up with the noise of a thunder clap, and blue smoke burst out from under the lids. While taking the train in Montana for home ast week, John Stanton had the misfortune to turn his left ankle. and continent and had his range.

The new headquarters on Main street for the local Red Cross was a busy scene Wednesday afternoon, where five or six sewing machines were supplant the Zerba Garage. It will stitching away at convalescent robes has done such good service in furnish- were busy preparing the has done such good service in furnishing motive power for the machinery, but the old engine will be kept in place for suxiliary purposes.

Our drawbanded scaled scales. Other allow were busy preparing the garments for stitching and several machines were neatly lined up awaiting some one to run them. Mrs. F. S. LeGrow, vice

Athena Department Store

The ice cream sale given by the Athena Knitting Club last Friday afternoon and evening was well patronized and was also a success socially. The net receipts totaled \$35.75, and five new members joined the club. They were: Mrs. B. Sowers, Miss Virginia Sowers, Miss Stella Smith, Mrs. Frank Berlin and Mrs William McLeod. Today the club is meeting at the home of Mrs. David Taylor, and on next Friday Mrs. R. A. Thompson will entertain the club at her home on College street.

Of the 15 fatherless children France, whose names comprised the list assigned to Athena's charitably inclined, eight have been taken so far and their support for a year is assured. The eight remaining names may be seen by calling on the coramittee, Mrs. H. I. Watts, chairman, and Mrs. Le Grow, secretary, both holding lists. It is desired to close the list as soon as possible, when the names of donors will be published. Thirty six and onehalf dollars will support a child in its own home for a year.

The Oregon Fish Commission's car "Rainbow" was attached to train No. 2 Wednesday evening with a consignment of trout for Sam Pambrun's fish pond. Mr. Pambrun, Marion Hansell and the Press man were on hand with two automobiles to receive the fish. The whole consignment was taken at once to Mr. Pambrun's pond south of Athena and liberated in the waters thereof in due form and in sportsm: nlike manner. Hansell and Boyd naturally expect an invitation to use Mr. Pambrun's private fishing preserve oc asionally-in event the present stock of speckled beauties holds out.

Driving along the Weston mountain road, in the direction of Camp Mc-Dougal, a 25 acre field of potatoes an beans is seen, all in the finest state of cultivation, with prospects of a good crop—15 acres of spuds and 10 of beans. The entire field was put in and tended by two girls, Ruth and Pearl Dowd, who may be seen mounted on a cultivator, with curls flying, busily cultivating and tending the ground. Mr. and Mrs. Henry Dell have sold cultivating and tending the ground. their home on Jefferson street to Mrs. Passing the home of these girls, one observes in the window a service flag with two stars-mute evidence of the whereabouts of two stalwart brothers whose place they are taking in the
