"Over The Hill"

Mrs. C. F. Bulfinch has returned from Walla Walla, where she visited several days with her daughters, Mrs. Elmer Tucker and Miss Dorothy Bulfinch.

Mr. and Mrs. Joe Payant and son and Mrs. St. Dennis and children were dinner guests Sunday of Mr. and Mrs. Ernest Ross.

Mrs. Charles M. Price is ill with neuritis at her home near town.

Buttercups and grass flowers have made their appearance on the hills near town and groups of delighted children fare forth every evening to gather the bright spring blossoms.

Miss Frances Compton of Walla Walla spent Sunday at the home of her sister, Mrs. George W. Winn.

Mr. and Mrs. Newton O'Harris, recent influenza victims, have recovered sufficiently to be about their usual duties.

Mr. and Mrs. Lewis C. Van Winkle are moving soon to Pendleton, where Mr. Van Winkle has accepted a position in the grocery department of The Peoples Warehouse.

A. M. Jensen, prominent Walla Walla merchant, was in town Tuesday, looking over the stock of the Weston Mercantile. T. C. Elliott of Milton, Matt Mogrove of Alberta and Mr. Blake of Portland were also here during the week for the same purpose.

Rehearsals will begin Monday evening on "The Old New Hampshire Home," the drama to be presented by local talent for the benefit of Memorial Hall. It is said to be an unusually good play, and well adapted to amateur production. It is the intention of the management to march right along with rehearsals and to produce the piece within three weeks at the latest.

N. B. Foster was at Milton last week for a visit with his son, the young violinist.

William Beaton was on a motoring trip Monday to Stanfield and Umatilla, and reports good roads and pleasant traveling in that part of the county.

Mr. and Mrs. P. T. Harbour and children were recent visitors at the home of Mr. and Mrs. Eugene Schrimpf west of Adams.

J. A. Murray, district manager of the Pacific Telephone and Telegraph Co., was here Tuesday from Pendleton.

Some stranger wayfarers made camp without permission in the G. DeGraw barn at Weston a few nights ago and raided the Thomas Narkaus cellar, from which canned fruit and provisions were stolen. It is thought they may have been the yeggmen who attempted to rob the bank at Pilot Rock.

Lloyd Killgore left Wednesday for a point near Baker, where he will be employed in O.W. construction work.

Mrs. Mark Henderson was called Saturday to Dayton, Wash., by the illness of her brother, Leroy Brown, who has suffered a stroke of paralysis.

Prospects are that independent ball will be played in Weston this season, as there seems to be no desire on the part of the local team's usual opponents to enter into another league organization. Helix has a strong team this year and wanted a berth in the two-county league. Failing in this ambition, it is out for independent ball, as are also Athena and Pilot Rock. Manager Reynaud announces that Weston's first game will be played on the local grounds

Sunday, April 9—probably with the K. C. team of Walla Walla. Team Manager Fuson is getting together a promising collection of talent for the diamond fray. He will perform behind the bat, and is grooming Gale Simpson and Joe Payant for the mound. Simpson pitched for Jefferson High school, Portland, about six years ago, and looks good in practice. He is now devoting his leisure hours to loosening up the old wing, and it is thought will have a world of stuff when he gets back into form. The full line-up has not yet been determined.

Execution has been issued out of the Athena justice court in an action brought by O. A. Adams, Weston garage man, against George B. Carmichael for the collection of an account of \$202.41 and costs. Four shares of stock in the Weston Warehouse Co., appearing on the books in the name of the defendant, were levied upon and posted for sale by C. W. Avery, deputy sheriff.

C. C. Proebstel, deputy county clerk, was up from Pendleton Sunday for a visit with his father, Geo. W. Proebstel, whose condition is reported to be showing some improvement.

The Farmers Bank of Weston is in receipt of a business letter from Newton Loveridge, former Weston citizen who now resides in Highland Park, Los Angeles, which is the first letter Mr. Loveridge has written in three years. When he went to California, cataracts had resulted in almost the complete loss of his vision. An operation performed by a Los Angeles specialist has restored his sight and he can now wield a pen again. Mr. Loveridge is an old pioneer of Umatilla county, having been in business years ago at Echo as a member of the firm of Hiestand & Loveridge.

Miss Vida Greer is visiting this week at Helix, where she is the guest of Mrs. Minnie Walker.

Mrs. W. L. Smock returned Monday from a visit to the bedside of her brother, Charles Crawford, at Milton. Mr. Crawford's long illness has reached a critical stage, and his life is almost despaired of.

Practically all of the influenza patients in the Weston neighborhood are now convalescent, and no new cases are reported. Dr. McKinney, who has treated 150 patients or more, is now permitting himself a breathing spell. No fatalities from the epidemic resulted in the Weston neighborhood, which has been very fortunate in this respect on this and previous visitations.

Mr. and Mrs. Fred C. Greer entertained a large number of friends with a most enjoyable dancing party Saturday evening at their home near Weston. Most acceptable music was furnished by Ray Jones and Paul Hopkins, and refreshments were served at midnight. The occasion was voted a delightful one by all present.

Mrs. Vergil Neild, a business woman of Portland now serving on the grand jury, says she prefers to stand behind the counter. Mrs. Neild is the daughter of Mr. and Mrs. James Kirkpatrick of Weston.

Allan Garnett left Wednesday for Sprague, Washington, where he plans to locate.

D. R. (Paddy) Nolan of Portland, grand patriarch of the grand encampment of Oregon, I. O. O. F., was a visitor Wednesday evening at Weston, where he planned to meet the Athena. Weston and Milton camps. The meeting was a large and enjoyable one and was pleasantly addressed by the distinguished visitor. Re-

freshments were served. F. G. Lucas, senior warden of Wenaha Encampment, presided in the absence of the local chief patriarch, S. J. Culley, who is ill at Walla Walla, and to whom the camp voted to send a bouquet of flowers and a cheering message. Yesterday was spent by Mr. Nolan and Mr. Barnes in looking over Walla Walla.

Twenty-five year veterans' jewels were presented by Stevens Lodge No. 49, K. of P., Wednesday evening to Dave Warren of Eltopia, Wash., and Ed L. Wood.

Sim J. Culley, prominent Weston farmer, is a hospital patient at Walla Walla, where he is under the care of Dr. Thomas. An X-ray examination was made yesterday to determine the nature of the painful ailment from which he is suffering. He is reported to be much better this morning, and it has not been decided whether or not an operation will be performed.

Mr. and Mrs. Henry A. Dowd of Walla Walla were visiting this week at the home of Mrs. Dowd's parents, Mr. and Mrs. A. Richal. Henry just cannot keep away from the soil, and plans leaving soon with Mrs. Dowd for Washtucna to assist his nephew, Ralph Dowd, in farming operations. Joe Lewis, former Westonian, was here yesterday from Walla Walla.

Fred Falconer, present owner of the former Cunningham land and sheep interests in Umatilla county, was in Weston Wednesday on a business visit. Mr. Falconer reports a very successful lambing season, except with his band in Wallowa county. He had a yield of 137 percent from his Stanfield band. Lambing is now over and sheep are being turned on the range. The Falconer interests are said to comprise 30,000 acres of deeded range land and 14,000 head of pure-bred sheep, blooded stock being the only kind handled.

Mrs. J. E. Stanfield is reported to be better, after a very painful illness of several weeks' duration.

Frank Jones, who came to Weston to attend the funeral of his father, the late J. W. Jones, left Monday on his return to Plains, Montana, where he is engaged in the stock business.

L. M. Park of Murray, Idaho, an old-time friend of D. H. Wilsey, is a visitor at the Wilsey ranch.

H. L. Hedrick, formerly in the garage business at Weston, was up from Pendleton yesterday. Homer will be a lonely man soon, as Mrs. Hedrick is planning a visit, accompanied by her children, to her mother's home in Stewartson, Illinois.

While trimming a large apple tree, W. J. Harris, a Water street resident, had an exceedingly bad fall yesterday, and was relieved after recovering from a brief unconsciousness to find that his injuries were confined to cuts and bruises. Having climbed into the tree, he was caught by a descending limb and knocked to the ground.

YOUR TEETH

Should be looked after now. Dr. A. C. Froom, at the St. Nichols' hotel, will be leaving Athens May 1. See that they are O. K. before he goes. You can save your teeth, time and money.

CARD OF THANKS

We take this means to express our deep sense of appreciation for the many kind friend who shared in our grief and who so kindly and willingly assisted us during the illness and death of our beloved daughter and sister. P. T. Harbour and Family.

SOLDIERS' BONUS PASSED BY HOUSE

Washington, D. C.—The four billion dollar soldiers' bonus bill was passed by the house by an overwhelming majority and sent to the senate, where its fate is regarded as uncertain.

The vote was 333 to 70. Party lines disappeared both in the general debate and on the final roll call, 242 republicans, 90 democrats and 1 socialist supporting the bill, and 42 republicans and 28 democrats voting against it.

As passed by the house the bonus bill would provide for immediate cash payments to veterans whose adjusted service pay would not exceed \$50 and would give to other veterans the option of these four plans:

Adjusted service certificates, with provisions authorizing loans by banks in the first three years after next October 1, and by the government thereafter; the certificates to run for 20 years and to have a face value at maturity of the amount of the adjusted service credit at the rate of \$1 a day for domestic service and \$1.25 a day for foreign service, increased by 25 per cent, plus interest at the rate of 4 1/2 per cent compounded annually.

Vocational training aid after January 1, 1923, at the rate of \$1.75 a day, the total payments not to exceed, however, 140 per cent of the adjusted service credit.

Farm and home aid under which veterans who purchase or improve farms or homes would be paid after July 1, 1923, a sum equal to their adjusted service credit increased by 25 per cent.

PACIFIC TREATY MIXUP IS SETTLED

Two Supplementary Agreements Are United and Unanimously Ratified.

Washington, D. C.—The senate finally untangled its parliamentary difficulties over the four-power treaty supplements by joining the two supplementary agreements and then ratifying them by unanimous vote.

One of the supplements, itself in the form of a treaty, defines the geographical scope of the four-power pact so as not to include the Japanese homeland. The other, attached to the first by today's action, in the form of a "reservation," stipulated that issues which are purely of a domestic character cannot be brought before the four-power "conferences."

The vote on the double-barreled ratification resolution was 73 to 0, opponents of the four-power plans joining in giving approval to the supplements because they interpreted the two agreements as limiting and curtailing the operation of the principal treaty.

The four-power Pacific treaty, the center of controversy over accomplishments of the Washington arms conference, was ratified by the senate with no reservations except the "no-alliance" declaration proposed by the foreign relations committee and accepted by President Harding.

The final vote of 67 to 27, represented a margin of four over the necessary two-thirds. On the deciding roll-call 12 democrats voted for the treaty and only four republicans, Borah, France, Johnson and La Follette, opposed it.

Irish Bill Passed By House of Lords.

London.—The Irish Free State bill passed its third and final reading in the house of lords. The bill was passed without a division. Lord Birkhead, the lord chancellor, in dealing with the future of the Anglo-Irish treaty, said he was not extravagantly optimistic over it, but that there was no ground for abandoning hope.

200 Middies Will Get Commissions.

Washington, D. C.—Only 200 of the 241 seniors who will be graduated from Annapolis naval academy this spring will be given commissions in the navy under terms of the naval appropriation bill shortly to be offered in the house.

10,000 Textile Workers Strike.

Lawrence, Mass.—Lawrence, scene of bitter battles in previous industrial wars, was plunged into another strike when 10,000 textile operators walked out rather than accept a 20 per cent wage cut.
