The Churches
Baptist Church
On Sunday February 28th I will close my work as pastor of the Athena Baptist church. I wish to express my thanks to all those who have helped to make my stay and work in Athena so pleasant and successful. I believe the church has taken a forward step in the last years and I sincerely hope it will continue to go forward doing the work a church ought to do. It can do this if those who believe in its work will all work together for that one aim, the building of true christian character. I ask those who have helped me during my stay to be as helpful to the man who follows me, hoping under his guiding hand greater good may be accomplished.
D. LOREE, Pastor.

Christian Church—The Church of Christ will have all its regular meetings on February 28th. We invite you to attend if you do not attend any other church in town. On Saturday February 27th the Bible school will hold a food sale at Rogers and Goodman hardware store. Come and get your Sunday cakes and pies.
Dwight L. Hackett, Pastor.

M. E. Church—Sunday school at 10:00 a. m. Morning worship at 11:00 a. m., the subject of the sermon will be: "The Stewardship of the Mental Life." "Bringing every thought into captivity to the obedience of Christ." II Cor. 10:5.

2000 Buffalo Stampede

This fine big Western Picture kicks through with true Western wilderness incidents as they were in 1876

Have you seen "The Covered Wagon" or "North of 36?" If you have you'll know what we mean when we say that "The Thundering Herd" belongs in the same class. The story by Zane Grey has the same historical importance. The production is of the same gigantic dimensions. The result is just as thrillingly entertaining. Picture the setting—the Western wilderness of 1876. Enormous herds of buffalo running wild across the plains. The rush of pioneers to the new fields of fortune. The wanton slaughter of the buffalo by the hide-hunters, inciting the Indians to new and savage uprisings. Picture Zane Grey's greatest romance against that thrilling background!

Old Home Week

Tom at his best, in a story rich in dramatic situations, gushing with Action and spouting with humor

The happy triple alliance of Meighan, Ade and Tom Geraghty, expert scenarist—the same winning combination that was responsible for the sensational triumph of "Back Home and Broke" has scored another box office bullseye with "Old Home Week." Here is a picture that portrays the sunny side of Main Street and does it in such human and humorous fashion that the memory of it will linger long after other photoplays have been forgotten. "Old Home Week" is just a big wholesome, smiling story with a dash of thrill, flavored with suspense, and a charming love interest. It is the American small town in all its glory and it deals with the average kind of people who make up the backbone of this country.
