William Fox

Presents

The Johnstown Flood

With

George O'Brien

and Florence Gilbert

See-

The bursting of the dam that cost the lives of thousands and swept a thriving city off the map. The female Paul Revere stirring the town to action in the path of a raging flood. An industrious American metropolis demolished by a wall of water. Homes, churches and stores swept away by a cyclonic torrent. The greatest disaster this country has ever known. Thrilling rescues in fire and flood.
