We hope to make each Lord's Day profitable to the spiritual life of the people. Sunday morning the theme of the sermon will be "The Great Highway" and the theme of the evening will be "The Great Invitation." Come and hear these Bible subjects for they will do you good. Then let us remember the assembling of ourselves around The Lord's Table on The Lord's Day. There will be special music at both the morning and evening services. The music will inspire you to better living. Come and enjoy it. The Sunday school and Endeavor Society are looking forward to a greater work for the winter. You are invited to these services also. Come! The church needs you and you need the church. Do not neglect the things of the soul. A Christian welcome and fellowship awaits you. Come.
