Boxing is the favorite pastime among the boys at school during recreation hours. The fad has now struck the lower rooms, and the way some of the little fellows knock each other out is not slow.

The names of thirty business men and property owners have been affixed to a paper that calls for the organization of a commercial association in Athena. A meeting was held Saturday evening in the office of O. G. Chamberlain, at which discussion was made regarding the need of an organization of this nature here. A. M. Gillis was named temporary chairman and O. G. Chamberlain secretary.

The new plate-glass front being placed in the Pioneer drug store building by J. W. Adams, is to be painted a bright vermilion red and the interior will be white enamel. The front portion of the store will be lighted with a 300 candle power electric light.

Mr. and Mrs. George W. Gross arrived home on Saturday's Spokane passenger, from a trip to the World's fair, and a pleasant visit with friends in Iowa. They came home by way of St. Paul and the Northern Pacific. Mr. Gross, like all others, says he en-

joys a visit east, but "doesn't want to live there," and was glad to come back to balmy Oregon after having encountered the bleak winds of Iowa and Minnesota.

FREDERICK STEIWER

FOR
U. S. SENATOR

Would you scrap Oregon's direct primary law? Would you surrender the important committee chairmanships now held by Senators McNary, Smoot, Borah, Johnson, Jones, Warren and Oddie, all Western men? Would you repudiate the policies of President Coolidge?

The fight for the U. S. Senatorship is between the democratic nominee and Frederick Steiwer, republican. No independent has ever been elected to the U. S. Senate.

If you believe in the direct primary—if you want the West to retain its power in national affairs by reason of republican control of the senate—if you believe in the policies of Calvin Coolidge—

VOTE 15 X STEIWER, FREDERICK

I. L. PATTERSON

FOR
GOVERNOR

The republican party of Oregon is fortunate in having Mr. Patterson as its candidate for Governor. Successful business man and farmer he is equipped to meet and solve the problems that will confront him as Governor. Economy, he has practiced in private life; economy he will practice as Oregon's chief executive.

The only real pre-election promise Mr. Patterson is making is that he will not follow established precedent and spend the people's time and money traveling about the state making speeches.

If you want a Governor who will be on the job attending to business—

This means fifty-three millions of new bonds.
This names five inexperienced people to spend your money.
This mortgages all your property to politics.
This leaves the taxpayer to foot the bills.
This would all go into the Constitution of Oregon.

The Constitution would protect these Tax-Spenders
