BRIDGE LUNCHEON

Decorations suggestive of the Halloween season with a predominance of orange and black were used by Mrs. Lloyd Michener last Friday when she entertained members of the bridge club at a one o'clock luncheon. Three tables were in play during the afternoon hours. Mrs. Max Hopper received the guest prize and Mrs. C. M. Eager made high score among the club members.

TEACHERS HONORED

One of the outstanding social events of the season was the reception in honor of Athena's teachers and sponsored by the Civic club. The reception room at the high school was artistically decorated with Halloween pumpkins, bats, owls, and an immense spider in a web. An interesting program was rendered as follows:

Piano duo, Mrs. Max Hopper and Mrs. O. O. Stephens; Address of Welcome, Mrs. H. I. Watts; Response Miss Mildred Bateman; Vocal solo, "Indian Dawn" Miss Edna Pinkerton; Reading, "Grandpa Crabs" Ralph McEwen Jr.; Vocal solo, "Pirate Dreams" Mrs. David Stone; Musical reading, "I've got the Mumps" Mrs. Lawrence Pinkerton; Piano solo, Miss Lois Johnson; Vocal trio, "What the Chimney Sang" and "The Naughty Little Clock" Mrs. David Stone, Miss Lorraine Terry and Mrs. R. B. McEwen.

Following the program games and contests requiring agility of mind and body amused the guests. Refreshments appropriate to the season were served at a late hour.

McKENZIE CHAPTER

McKenzie Chapter O. E. S. entertained at dinner at the Masonic Hall at six thirty Wednesday evening. Covers for fifty were laid at tables forming a hollow square and adorned with baskets of marigolds and tapers. Worthy patron Arthur Coppock acted as toastmaster. Mr. and Mrs. J. C. Woodruff of Pendleton were guests of honor. Mrs. Woodruff being District Deputy. Mrs. A. A. Kimball of Pendleton was also a guest. Following the dinner a regular meeting of the chapter convened and Mrs. Frank Ames became a member by initiation. Other important business was transacted.

Following dinner music, chat and college songs with ukulele accompaniment were indulged in by the guests who included, Mr. and Mrs. O. C. Hadley and Ronald Hadley, Miss Mary Jane Cornelison, Miss Mildred Bateman and Mr. Stolzheise.

Refreshments were served by Mrs. Laurence McIntyre and Mrs. Archie McIntyre. The next meeting of the club will be held Wednesday afternoon November 3rd at the home of Mrs. Adam Schwandt.

MISSIONARY SOCIAL

The program and luncheon given last Thursday afternoon by the Baptist Missionary society in the church was largely attended and was a pronounced success both socially and financially. The combined ages of all guests invited was the basis of a neat sum for the society's quota to White Cross work, the amount aggregating something near \$20. The rooms were decorated in Halloween fashion. The

label, at which Mrs. Bollinger and Mrs. Boyd poured, was centered with glowing marigolds topped with a generous pumpkin. Games of the brain puzzler sort amused the guests and a solo by Mrs. D. T. Stone and an impersonation by Barbara Lee were appreciated.

NOVEMBER MEETING

The November meeting of the Christian Missionary society was held Wednesday afternoon at the home of Mrs. H. H. Hill, with Mrs. James Potts as assistant hostess. The program was led by Mrs. M. M. Johns, with Mrs. Louis Keen presiding. Eighteen ladies were present, Mrs. Charles Norris being a guest.

MRS. ADAMS ENTERTAINS

Mrs. Walter Adams of Walla Walla entertained at two affairs this week, being hostess at luncheon on Tuesday, and a bridge tea on Wednesday, seven tables being in play. Mrs. M. L. Watts, Mrs. F. S. LeGrow and Mrs. H. I. Watts of Athena were among the guests Wednesday afternoon. A color scheme of pink was used, a profusion of lovely rosebuds being used about the rooms. Tapers in the same shade added to the effect which was carried out in the ices served.

Mr. and Mrs. Dudley will make their home on a recently acquired ranch near Dayton.

HALLOWEEN PARTY

A Halloween party with all the accompanying spooks and goblins was much enjoyed by the Junior Endeavor at the Christian church Friday night. The guests were much thrilled in finding their fortunes at the end of circuitous routes marked by strings. A game of indoor football with prizes for the winners was a feature of the entertainment. About sixteen guests were present and a seasonable supper was served as a climax to the evening's hilarity.

SHOWER GIVEN

About thirty ladies including the Loyal Gleaners class and the Loyal Boreans class of the Christian Sunday school honored Mrs. Dwight L. Hackett, now of Eugene, with a shower, at the home of Mrs. C. M. Eager Tuesday afternoon. Many attractive and useful gifts were in evidence each accompanied by an appropriate verse. Mr. and Mrs. Hackett formerly held the pastorate of the church here and are now making their home in Eugene. Refreshments were served by the hostess from a prettily appointed table with Mrs. F. B. Boyd and Mrs. M. M. Johns presiding at the tea and coffee urns.

HURRY UP MEALS

We occasionally read of the marvelous housekeepers who by a wave of the hand and a cold chicken, combined with an elastic imagination, will set before her guests a wonderful meal; but the majority of us poor mortals find ourselves minus the chicken and no amount of imagination will fill an empty cupboard. By being a little forehand, these times that try women's souls may be helped. Provide for emergencies, have an emergency shelf with a good collection of staples from which to produce a meal if you are far from a grocery. Women in the country cannot please their town friends better than to serve them with country-grown things. A dinner of salt pork and cream gravy will delight the heart of many a city bred who never tasted good pork such as they cure on the farm.

Fresh vegetables, fruits, eggs, with cream and milk, will make a meal fit for any king. With the wealth of the garden and orchard the country woman is almost independent of supplies. An omelet is a dainty dish and one which nearly everyone likes. To prepare an omelet have a smooth frying pan, add a tablespoonful of butter to the pan and pour in the omelet when the butter is melted and pan hot. Beat the eggs, separating the whites from the yolks; to every yolk add a tablespoonful of water or milk, seasoning of salt and pepper and fold in the stiffly beaten whites of the eggs. Cook, raising the edges of the omelet so that the center is well cooked, using a spatula. Score on each side, fold and roll on the platter when the omelet is well cooked. If not quite firm on top, set a minute in a hot oven or under the gas flame. For a more elaborate omelet jelly, jam, chopped meats and creamed vegetables may be spread over the omelet before folding.

Sliced green onions seasoned with salt and dressed with thick sour cream, is a most tasty salad to serve with plain bread and butter sandwiches.

It is never wise to let the salad dressing jar get empty as a salad is often a life saver.

Gems From California
In one mine near Ramona, Calif., the tourmaline crystals are often gigantic, some being five inches in diameter, fifteen pounds or so in weight and dark green to opaque, whilst other smaller ones are a deep rich green and classed as gems. The famous Pala Chief mine near Pala produces not only the commercially valuable lepidolite (lithia mica) from which comes our lithia tablets, but also kunzite and gem tourmalines of red, blue and green—as well as Spodumene, both white and lavender—truly one of the most remarkable mines on our entire globe.—Los Angeles Times.

First Locomotive to Make Mile a Minute

The thrill of traveling a mile a minute by rail was first experienced in 1848, when the Antelope, a 10-ton engine built under the direction of Superintendent Minot of the Boston & Maine railroad, covered the 26 miles between Boston and Lawrence in just 23 minutes. The engine had single drivers, six feet in diameter.

Every detail was carefully arranged to give the new engine a chance to break all previous records. Minot selected an engineer named Pemberton to drive the locomotive. Pemberton was reluctant at first, but when Minot threatened to take the throttle himself, he agreed to try. Minot rode with him.

Men were sent over the road to spike down all switches and see that everything was in perfect order. It was before telegraphy had been introduced and to run a mile a minute required careful preparation.

A large crowd gathered at the station and amid cheers and waving of hats, the Antelope began its historic run. Half way to Lawrence, Minot looked at his watch. Fourteen minutes had elapsed. He urged Pemberton to get more speed and Pemberton pulled the throttle wide open. The engine responded and when the train was brought to a stop at the station, Minot's watch showed just 23 minutes had elapsed since the start.—Railway Life.
