A FEW MINUTES spent in studying motor car values before you decide on your new car may save you many dollars afterwards. That is why General Motors wants to send you a finely illustrated little book about the great General Motors Proving Ground where cars are proved by day and night tests, and values are absolutely established. Every car owner should have a copy of this free book because it tells what points to look for in selecting a car, and how to make comparisons.

With this really interesting book, which will be sent free as soon as you fill in and mail the coupon, we want to send you illustrated booklets about the General Motors car which suits your purse. You know these cars; all are famous. But did you know that they are all made by General Motors? Did you know that General Motors, by building more than 1,000,000 cars a year, saves millions of dollars, and how these savings are passed on to you in better value, longer life for your car, and a higher trade-in value when you are through with it?

CHECK THE CAR THAT FITS YOUR PURSE

These facts mean hard cash to you. The coupon involves no obligation. Just check the car that interests you most. Booklets will come at once, and also the book about the Proving Ground. Make up your mind to buy your cars scientifically from now on. Mail the coupon TODAY.

STELLA DALLAS

A Story of Mother Love

An Epic of Emotion, re-creating romance to streak the cheeks with tears and dimple the face with smiles.

A wonderful Cast—Belle Bennett, Ronald Coleman, Alice Joyce, Lois Moran, Jean Hersholt and Douglas Fairbank's Jr., playing Olive Higgins Prouty's story—the story with a lens through which the love life of every woman is x-rayed—the story read by millions and which all have waited to see on the screen.
