

Specially Built for Hillside Harvesting!

1. Can be used with equal success on hillside or level fields.
2. A real 2-man machine. Bagging platform, centrally located, well balanced. Men work close together.
3. Header platform is parallel to ground at all times. No grain skipped.
4. Operates equally well up hill or down.
5. Cylinder, 24" long, runs on self-aligning, enclosed ball bearings.
6. Five square feet of grate surface beneath cylinder and main beater provides for immediate separation of 80 to 90% of grain at the cylinder.
7. Wide separator (44") permits straw to spread thinly over straw racks for thorough separation.
8. Air blast of shoe fan is distributed evenly over entire area of shoe screen, whether machine is going up or down hill.
9. Recleaning device in addition to shoe—similar in action to fanning mill. Cleans grain thoroughly.
10. Power-operated leveling device. The operator merely moves a clutch lever—the power does the rest.
11. Screens are automatically leveled.
12. All bearings supported on brackets attached solidly to the frame, not to sheet metal siding.
13. Auxiliary engine same as used in Harvester trucks and tractors. Ball-bearing crankshaft.
14. All drive chains are short. Double roller chain and cut steel sprockets on cylinder drive.

The famous grizzly known on the Imnaha as "Old Clubfoot," has at last fallen a victim to the "march of civilization" and Camp's rifle. Bears are quite numerous in the eastern part of Wallowa county, and this particular specimen has preyed on the settlers' cattle for years past. Wonderful stories are told of his size and strength, it being claimed that he could drag off a 1200-pound beef steer with apparent ease.

R. E. Crow and Charles Thompson left Monday for the mountains to cut cord wood.

W. E. Young and W. J. Wilkinson will leave Monday evening to attend the Grand Lodge, I. O. O. F.

The Athena and Weston bands will give a grand concert jointly at the opera house, Weston, on the night of May 28th. Both bands will be in attendance and furnish music for the Pioneer's picnic on that date.

A foot ball has been purchased and the boys will organize a team. Look out for blood and bruises in the future.

The populists were out in force Wednesday, to hear an address by Quinn, the populist nominee for congress of this district.

Frank Wormington and Claude Steen were in town Tuesday, from Milton. Mr. Wormington purchased three instruments from the Athena band, to be used in the Milton organization.

"There is some talk of the different Woodmen Camps in the county holding a grand picnic at Athena in the near future. There is a very pleasant place to hold the picnic in the grove on the creek, and should the Woodmen decide to hold it, the hospitality of the city will be extended them.
