BAPTIST CHURCH

Rev. Neil J. Barnes has gained the confidence and respect of the people of Athena. He is a straightforward Gospel Preacher without any alloy and the messages bring one to a realization of his or her relation to the Great Creator. The meetings will continue through this week and next and if the Lord's demands are for continuation, no break will be made with the leading of His Spirit. Regardless of your surroundings, just lay aside your cares for the time and by your presence and prayers help us build God's Kingdom. Brother Barnes says, a fine thing for those out of the Kingdom to remember is that they are responsible to God and not man, also that they have a soul to save, a heaven to gain. "Him that cometh to Me I will in no wise cast out." is the key-note of the messages given. You are cordially invited to all services. Meetings every evening excepting Saturday evening.
