PERRY HALL

Holly Trees Given As Memorial for Late Dr. Campbell

UNIVERSITY OF OREGON, Eugene.—One hundred holly trees, three years old, have been presented to the University to form a memorial hedge to the late President Prince L. Campbell. The donor of the gift is John Stump, a prominent citizen of Monmouth and a boyhood friend of the late president.

Many gifts have been made in memory of the beloved late president, but none carries more memories than does this gift of Mr. Stump. John Stump was Mr. Campbell's half uncle, but they were of practically the same age. From the age of seven, Prince Campbell, the boy, chummed with John around their Monmouth homes, and Prince L. Campbell, the man, continued to chum with him.

One of the simplest details of fire prevention lies in cleaning up the woodlot to reduce the fire hazard, says the American Tree association. Cut out all the dead trees and the weed trees such as cherry, hornbeam and gray birch, leaving enough partially to shade the pines. The waste brush should be piled and burned in a place and at a time when there is no danger from fire.

Hon. T. J. Kirk is circulating a subscription paper in Athena today for the relief of the stricken people of San Francisco. Citizens are responding nobly and the amount Athena will give will be in proportion to the liberal donations of other towns of the northwest.

The Yellow Kids play the Walla Walla "Boosters" on the Athena grounds Saturday afternoon. Sunday a big excursion train with two engines and ten coaches will come over from Walla Walla and take the two teams and their admirers to Pendleton where a game will be played in that city in the afternoon. The round trip from Athena will be 55 cents.

Following is the report of Banks district No. 45, for month beginning March 26 and ending April 19. Whole No. days taught 19; No. pupils on roll of honor for month are: 8th grade—Grady Herndon, Roy Burke, Pearl Pinkerton, Agnes Cannon, Eva Schrimpf, Floyd Pinkerton, Ray Zerba. 5th and 6th grades—Lawrence Pinkerton, Zola Ferris, Ruth Stewart, Alice Foster. 2nd grade—Dora Ferris, Louis Stewart, Gladys Ferris. Visitors for the month are Alice Stewart, Edna Schubert and Fred Foster.

Tuesday morning Hon. T. J. Kirk began the circulation of a subscription paper for the relief of the San Francisco earthquake sufferers. Yesterday he was assisted by David Taylor, and when their labors were ended the sum of \$450 had been subscribed. The amount was expended for a carload of provisions which was shipped out over the O. R. & N. yesterday noon. In the car was 107 barrels of flour, 100 sacks of potatoes and \$50 worth of breakfast foods. On the side of this car were long canvas streamers, on which was painted the destination.

W. R. Taylor has made a trade with a Heppner man for 100 head of cattle. He exchanged his band of range horses on the John Day ranch for cattle and left Wednesday for Heppner after the stock. The addition of this number gives Mr. Taylor quite a nice little herd of cattle.
