C. C. Proebstel

Republican Candidate for Re-election

Present District Attorney
May Primaries 1928

Nine years Court experience and in County affairs, the past four years as District Attorney. The first District Attorney to maintain an office in the Court House, employing no stenographer, thus saving the County rent and office expense. I have maintained the office as a public office, and not as a side line to a private downtown law practice, devoting my entire time to the duties of the office.

Official records show that I have been successful in my prosecutions; that I have won all my supreme Court cases, and have kept Umatilla County out of expensive litigation. I have applied all public money with advantage and savings to the taxpayers.

I have become well acquainted with and am on good terms with City, County, State and Federal law enforcement officers, and will actively co-operate with them in the enforcement of all laws.

I was born and reared in Umatilla County, and am a qualified and practicing lawyer. Served during the late war in the Regular Army, 12th Infantry, 8th Division. I am a home owner and taxpayer and have a family consisting of a wife and two children.

The oath of office is my pledge, my record your guarantee. Why change without reason.
