Follow the Dogs of War to New Thrills.

You don't have to be a dog lover to hail this as the novelty find of the season! If you're tired of society dramas and the run of adventure pictures, if you're aching for the unusual thrill, here it is! This is the highly dramatic story of a Dog of War—one of the army of unsung, four-footed heroes of battle. But blended with it, is a love-story that will keep you interested to the climax. A war picture—a dog picture—a great romance—all in one!

# "Tell It to Sweeney"

Where's there a better comedy combination than  
this pair?

A railroad story that'll surely switch your affections to this new comedy team. Laughter has the right of way! A car load of comedy with Conklin, the hit of "McFadden's Flats," and Bancroft, the roaring, roistering rough-neck of "Old Ironsides," as impossible fireman and engineer. Full speed ahead for fun! The mere sight of these two together is enough to bring forth roars. We're telling you, "Tell It to Sweeney" is a laugh sensation. Everybody smiles!
