Athena Boy Scouts

(By Scoutmaster LeRoy)
 Troop nineteen had a very fine turn out for the Court of Honor session held at Camp Nuznupa last Sunday. The benefit sale is to be held Saturday so lets all do all we can to help make this a success. Tell our folks and others to buy their Sunday dinner and picnic lunch at the sale. This sale is being put over by the women of the community and is for the benefit of the Scout finances so lets do our part.
 Thanks to Bill Ferguson for the use of his truck to take the boys to the Scout camp on the Walla Walla river Sunday.
 Wayne Bannister passed his tenderfoot requirements and is now a full fledged scout.
 The summer haying and harvest is keeping some of the boys from taking as much interest as they would like to but their turn will come and they can make up for what the others are getting this summer.
 Boys should start getting their mounts groomed for the Round Up as they will want to be second to none (of their kind).
 John Kirk and committee of scouts out which he will be chairman will have charge of the next mounted hike that will be held right after harvest, the name of the hike, where we are going and other details will be announced by the committee soon.
 More new scout uniforms made their appearance on Athena scouts this week and we now have a full patrol of them.
 Some of the work that was exhibited by the boys for merit badges in agriculture, carpentry, woodworking, athletics and the other tests would make some of the older people step lively to duplicate, for their was some good skill displayed with the work.
