Stark Love

Starring

Helen Munday and Forrest James

Here's a Thrill

A battle for life itself! Here's the picture you've been waiting for. See it! Made in the Carolina mountains by the man who photographed "The Covered Wagon!" Unanimously endorsed by the New York critics, it broke all records in that city! Sweetheart or Slave? She was the first girl to rebel at the primitive customs of her people! See the picture that set New York gasping!
