### Editorial

The high school student body was one hundred per cent in attendance at Friday's game and let their presence be known by yelling their best. Jack Murphy is fast proving a competent and popular yell leader. If you don't believe it, attend the next game and listen to the results of his work.

Separate requisition blanks have recently been printed for each class and the student body of the high school. One of these must be presented to the seller of goods charged to a certain class or to the student body. It is hoped that these slips will be a great aid in keeping the bills straight.

### Faculty

Those of the faculty who attended the Round-Up were as follows: Mr. and Mrs. Lee A. Meyer, Mr. and Mrs. Harold Frederick, Miss Bateman, and Miss Bryant.

### Alumni

Clifford Wood and Norman McIntyre left Saturday morning for Corvallis, where they will enter Oregon State College.

Jessideane Dudley, Lois McIntyre, Blanche Johnson, Lois Johnson, and Dale Stephens left Saturday for Eugene, where they will study at the University of Oregon.

Kathleen and Fred Radtke left Wednesday for Eugene to enter the University of Oregon. They planned to visit in Portland for several days.

### Football

Athena won a decisive victory over Pilot Rock in football by a score of 12-0 Friday, September 21, on the local field.

The Athena boys began the game by receiving the ball and marching down the field like veterans for a touchdown in two downs. Pilot Rock

then got the ball, but they were unable to near their goal as the Athena line held firm. In the second quarter things did not go so well, and the team seemed to have forgotten much of the instruction it had received in practice. However, Athena made another touchdown before the half. In the third and fourth quarters, Athena was more on the defensive, striving to keep Pilot Rock from making a touchdown. They were successful, and at the end of the game the score stood 12-0.

Coch Miller said that the reason for the slacking up of the teamwork in the game was due to lack of experience and the fact that the system he is teaching is new to the boys, and they did not have much confidence in it or themselves. "Pike" thinks that with more experience and harder practice Athena will have one of the best teams in Eastern Oregon. The next game to be played with Walla Walla next Friday, here, will be a much harder game, but "Pike" thinks with this week's practice the boys will be more experienced and able to put up a much better showing.

Much credit must be given "Tufty" Murphy, cheerleader, and his cheer team for their splendid cooperation with him.

The first string line-up was as follows:

low: Cecil Pambrun, Center; Wilford Miller, R. G.; Emery Rogers, L. G.; Lee Foster, R. T.; John Kirk, L. T.; Ralph McEwen, R. E.; Wayne Pinkerton, L. E.; Eldon Myrick, F. B.; George Gross and Wayne Pittman, H. B.; Arthur Crowley, Q. B. During the game all the boys that have been turning out got a chance to play.

### Student Body

In spite of the fact that Friday was a day of the Round-Up the football game was a financial success. The ticket sellers, Thelma Schrimpf, Frances Cannon, Pearl Green, and Virgie Moore took in twenty five dollars and forty five cents. After the referee had been paid seven dollars and a half, the student body made seventeen dollars and ninety five cents.

A student body meeting was held Monday, September 25. The treasurer's and secretary's reports were read. The executive council's report not to fix the tennis courts till spring was approved by the student body. The question was brought up whether to help the freshmen give their annual weiner roast or let them take all the expenses themselves. The motion was carried by the student body. As there was no more business the meeting adjourned.

### Entertainment

The freshmen were initiated Tuesday evening, September 18. A number of new stunts were carried out as well as the old customs of initiation. Each member of the class gave some kind of a skit on the stage in the auditorium. Then all went to the party room where the freshmen were made to eat numerous things, such as garlic and limburger cheese. The freshmen were given an oral examination on the student body constitution and, because they feared a punishment threatened them, all passed fairly well. The most interesting antics were produced when they jumped off the floor and flopped their hands for a certain length of time. Each boy, on his hands and knees, with a girl riding on his back, then had to push a bean with his nose across the gym floor. The freshmen are now thankful they are full fledged members of the high school, although they all seemed to enjoy the initiation.

The high school and eighth grade held an assembly Friday morning, September 21, for the purpose of creating pep and enthusiasm for the football game. Speeches were given by each member of the football squad who could be persuaded to do so. A number of yells were given in honor of the boys and the coach.

### Classes

The freshmen have decided to hold their annual weiner roast for the student body Wednesday, October 3, at Thornhollow.

### Study Classes

The girls' gymnasium class, under the leadership of Mrs. Frederick, will begin doing folk dancing within the next two weeks.

### Grades

Mrs. Read was a visitor of the first and second grades Wednesday. Mrs. Rominger attended the Round-Up Saturday.

### Personals

Frances Cannon, Areta Kirk, and Emma Ringel were in Walla Walla Wednesday evening.

A number of the students attended the Pendleton Round-Up last week. Emma Ringel was in Walla Walla Sunday visiting her father, who is ill there.

Myrtle Campbell was absent from school Tuesday on account of illness.

### CHRISTIAN CHURCH

Bible questions answered. "If Christ is now ruling over His kingdom, does that mean that His second coming has already taken place?" will be the basis for the evening sermon at the Church of Christ next Lord's day. The following question will be answered at the morning service: "Do you consider the second death which is by fire (Rev. 21:8) to be everlasting?"

If there are any unanswered questions in your mind concerning the teaching of Holy Writ, write them on a slip of paper and place them in the question box which you will find in the vestibule of the Christian church. "Bible answers to Bible questions." Sunday School, 10 a. m. Communion followed by scripture lesson 11. Endeavor meeting 6:30 p. m. ### CARD OF THANKS

We wish to thank you for your kind and beautiful expressions of sympathy at the death of our beloved husband and father. MRS. GEORGE W. LIEUALLEN AND FAMILY.

Dr. Cusick Dodge, the psychoanalyst, said at a nurses' reception at Onachita college in Arkadelphia:

"It is important for a nurse always to look her nicest. A nice-looking nurse emits a cheering, stimulating, strengthening influence—healthy rays, we call them."

Doctor Dodge smiled and went on: "I said to a young man the other day: 'You're rather bad, you know. I'll have to send you a trained nurse.' 'No, doctor,' the young man objected. 'Send me one with a short skirt.'"
