The successful expert C. F. Redlich for Scientific Rupture Appliances says:

The "Perfection Retention Shields," hold the rupture perfectly, no matter what position the body assumes or how heavy a weight you lift. They give instant relief, contract the opening in a remarkably short time and strengthen the weak tissues (the real cause of rupture) so that they frequently recover their previous natural retaining power, needing no further outside support. Stomach trouble, backache, and constipation often caused by Rupture promptly disappear.

Truly remarkable results have been obtained with recent and not yet fully developed ruptures and many old ones also.

Surgical Corsets and Abdominal Supporters for falling organs, obesity, naval- and stomach-ruptures expertly made to measure.

Letters from highly satisfied clients available.

Advertised mail order contraptions as well as elastic belts with chafing, filthy legstraps are absolutely worthless.

Call on me and I will show you. Results on children are 95 per cent favorable.

Business engagements prevent visiting any other city in this section. C. F. Redlich, Rupture Appliance Expert, home office, 535 Boston Block, Minneapolis, Minn.

22 Years Ago

October 19, 1906

Mr. and Mrs. T. J. Kirk and Mrs. A. B. McEwen leave Monday for California to spend the winter months. Ed Barrett, wife and son returned Saturday from LaGrande, where Mr. Barrett recently completed a building contract.

"Bill" and John King left for Hermiston yesterday, where they go to look over the prospect for team work on the government project there.

A valuable McElropa colt, the property of Henry Barrett, died last night. The colt was an exceptionally fine one and took second prize in its class at the colt show last spring.

Helix Herald: B. B. Richards, the Athena wheat buyer, came over Wednesday evening to assist in managing the K. of P. goat, which was doing some overtime work that night.

John Beaton, a Weston pioneer rancher, was in town Saturday. Time deals lightly with John, and he continues in the same old level way; everybody's friend and his own worst enemy.

Wm. Willaby, Sr., returned last evening from a visit to Spokane and Newport, Wash. The old gentleman got nary a "mess" of venison while at Newport, but feasted on mountain trout a plenty.

Athena friends have received cards announcing the wedding of Miss Elsa Rozenzweig to Mr. Fred E. Miller, at Eltopia, Wash., Saturday, October 20, 1906. A number of friends from this city and Walla Walla attended the wedding.

George Peebler was up from Pendleton yesterday, visiting his son John Q. Peebler.

Will Dobson, Millard Kelley and Thos. Gilkey left yesterday for the headwaters of the Grand Ronde on a hunting trip.

Wm. McKenzie has purchased the old Henry Pinkerton homestead east of town, consisting of 120 acres. The land brought \$75 per acre.

Clayton Luna and wife are in the city from Umatilla.

Over 130 students are now enrolled at the Eastern Oregon State Normal

May every soul that touches mine, Be if the slightest contact, get some good. Some little grace—one kindly thought— One inspiration yet unfeigned— one gleam of faith To brave the thick'ning hills of life— One glimpse of brighter skies beyond the gathering mists To make this life worth while, and Heaven a surer heritage. —Author Unknown.

FOODS NOW SEASONABLE

Some day when it seems impossible to originate an idea as to what to have for a meal, try serving nicely baked potatoes with cod-fish in

Drawn Butter Sauce.—Melt one-half of a third of a cupful of butter in a hot saucepan and when bubbling hot add three tablespoonfuls of flour, one-half teaspoonful of salt if the fish is not already salt enough to season the sauce, a few dashes of white pepper and add gradually one and one-half cupfuls of boiling water. Cook five minutes and add the remaining butter in small bits. Serve with the fish or the fish may be added to the sauce.

Cream Dumplings.—Sift two cupfuls of pastry flour with three teaspoonfuls of baking powder and one-half teaspoonful of salt. Add enough thin cream to make a soft dough to drop from a spoon—about three-fourths of a cupful; if sour add a pinch of soda. Mix and drop from a teaspoon on to the meat and bones, to keep the dumplings from touching the liquid. Steam well covered for eight to ten minutes, depending upon the size.

Jellied Prunes.—Stew one-half pound of large prunes after soaking well in water. Drain and cut into squares. Prepare a dish of lemon gelatin, using any kind at hand; when partly thick add the prunes. Pour into a mold and set away to become firm. Serve with sugar and whipped cream.

Apricot Ice.—Take two cupfuls of canned fresh or dried fruit. If fresh put through a sieve; if dried cook until smooth then put through a sieve, add sugar to sweeten, one-half cupful of lemon juice and the stiffly beaten whites of two eggs, the water in which the fruit was soaked, or the canned juice. Mix all but the egg whites and freeze; when partly frozen add the egg whites and finish freezing.

EASTERN OREGON'S INTERESTS DEPEND UPON THE ELECTION of

Robert R. Butler
Republican Candidate For

Congress

Second Oregon District

The excellent work of Hon. N. J. Sinnott should be carried on.

Judge Butler is the man to represent Eastern Oregon in Congress to carry on Sinnott's service. He is 46 years old, young enough to serve the district for many more years.

VOTERS OF EASTERN OREGON

can well follow the recommendation of Senator Steiwer, Senator McNary, Judge Stephen A. Lowell of Pendleton and Arthur V. Swift of Baker, who represents the farming interests. All of these men endorse Judge Butler's candidacy.

Paid adv. by Republican Congressional Committee, H. J. Warner, Chairman, Pendleton, Ore., Ben R. Liftin, Secretary, The Dalles, Oregon.
