The successful expert C. F. Redlich for Scientific Rupture Appliances says:

"The 'Perfection Retention Shields,' hold the rupture perfectly, no matter what position the body assumes or how heavy a weight you lift. They give instant relief, contract the opening in a remarkably short time and strengthen the weak tissues (the real cause of rupture) so that they frequently recover their previous natural retaining power, needing no further outside support. Stomach trouble, backache, and constipation often caused by Rupture promptly disappear.

Truly remarkable results have been obtained with recent and not yet fully developed ruptures and many old ones also.

Surgical Corsets and Abdominal Supporters for falling organs, obesity, naval- and stomach-ruptures expertly made to measure.

Letters from highly satisfied clients available.

Advertised mail order contraptions as well as elastic belts with chafing, filthy legstraps are absolutely worthless.

Call on me and I will show you. Results on children are 95 per cent favorable.

Business engagements prevent visiting any other city in this section. C. F. Redlich, Rupture Appliance Expert, home office, 535 Boston Block, Minneapolis, Minn.

What hand can paint a picture
So marvelous as the running
brook?
It matters not what time o' day
You visit it, the sunbeams play
Upon it just exactly right
The mysteries of God to light.
No human brush could ever trace
A droopin' willow with such grace!

THE COCKTAIL

When beverages were used commonly in cocktails their strong and pungent flavors destroyed the appetizing effect of the hors d'oeuvres and seriously retarded digestion. In these days of enlightenment we enjoy the flavor of the food instead of seasoning.

Sardine Cocktail.—A sardine cocktail makes a welcome first course for luncheon or dinner.

Cut the sardines into inch-long pieces or leave them whole to be dipped into the sauce. Serve them chilled with a cupful of the sauce in the center of the plate. Serve with:

Cocktail Sauce.—Take one teaspoonful each of horseradish and tomato catsup, a salt-ponful of cayenne, one-half teaspoonful of tabasco sauce, two tablespoonfuls of lemon juice. Mix thoroughly, serve in lemon cups. Nice to serve over oysters, six to eight.

Mint Cocktail.—Crush a bunch of mint, mince and soak half an hour in the juice of two lemons and the grated rind of one. Cook two cupfuls each of sugar and water until it spins a thread; take from the fire and stir in the juice of a large orange, the lemon and the mint. Let stand on ice until chilled. Serve on ice.

Oyster Cocktail.—Clean and chill five dozen oysters, mix with three tablespoonfuls of horseradish, one teaspoonful of tabasco sauce, two tablespoonfuls of vinegar, five tablespoonfuls of lemon juice, three tablespoonfuls of Worcestershire sauce, three tablespoonfuls of catsup, one and one-fourth teaspoonfuls of salt. Mix well and serve over the oysters, which are placed in lemon, grapefruit or glass cups. This serves twelve to fourteen persons.

Save any cooked ham, put it through the meat grinder and mix with salad dressing for sandwiches or add to it an omelet just before it is folded.
