School Spirit

The students of Athena high school have been showing better school spirit this year at the football games than they have shown for many years. At the Athena-Weston game Friday, October 19, all the students who were not on the team did their best to encourage the boys of the team by cheering them on. In the past, the students very seldom cheered the opposing side, but this year if the opposing team made a brilliant play, our rooters cheered them. We hope that this pep and good sportsmanship will be continued and raise the standard of not only our athletics but all our student body activities even higher than they are at present.

Faculty

Miss Bateman spent Friday evening and Saturday in Milton and went to Pendleton Sunday.

Miss Brodie was in Walla Walla Saturday and in Pendleton Sunday.

Athletics

The Athena high school football team defeated the strong Weston eleven 12-0 at Athena, Friday, October 19.

In the first quarter Weston kicked off to Athena. Neither team came near to scoring a touchdown, but the ball was mostly in Weston territory. The Athena team tried numerous passes but did not make any successful ones. Every one on the Athena team was playing a consistent game of ball.

When the second quarter opened, Athena continued her aerial attack, and after a number of successful passes, combined with off-tackle kicks and end runs, the ball was placed over the last chalk line. The try for point failed. There was no more scoring this period, although Athena once marched far into Weston's territory.

When the second half opened, the Athena men were determined to fight for the advantage that they had. Athena still continued her aerial attack and with several good runs made another touchdown. The try for point was blocked. Weston elected to receive the kick-off, but they were soon forced to kick.

In the fourth quarter the game grew a little slower as the fast pace which had been maintained throughout the game was beginning to tell on the players of both sides. When the fourth quarter was about half over, Weston received a break when Snider, an end, recovered a fumble and carried the ball to Athena's 15 yard line before being downed. The Athena line held like a stone wall, a pass was incompleated, and Athena immediately took the ball out of the dangerous territory. The latter part of the quarter was given mostly to punting.

The following players started the game for Athena: Wayne Pinkerton, L. E.; Stafford Hansell, L. T.; Walter Huffman, L. G.; Cecil Pambrun, C.; Wilford Miller, R. G.; Lee Foster, R. T.; Ralph McEwen, R. E.; Edwin McEwen, Q.; George Gross, L. H.; Arthur Crowley, R. H.; Eldon Myrick, F. B.

Substitutions were as follows:

Wayne Pittman, Lawrence Carlile, and Oral Michener.

Student Body

A student body meeting was held Wednesday, October 17, for the purpose of discussing the question whether we should have a pep rally Thursday evening. It was decided to have the rally. The students were to meet at the school house at 7:30 and the rally ended at 8:00.

The question was left to be voted on at a later meeting whether the high school should have a Halloween party.

Pep Rally

A pep rally was held Thursday night, October 18, by the high school student body and upper grades. The high school students and the 7th and 8th grades, lead by our cheer leader "Tuffy," met at the school at 7:30 and paraded to town. There the pro-

cession was halted at Main street, where a number of the football men, the coach, and Mr. Rogers made speeches. The students then serpen-tined through the stores; and when their voices were about worn out, they returned to the school house.

Entertainment

The high school held an assembly Friday morning, October 19. Coach "Pike" Miller spoke a few words and a number of boys on the team also spoke. Yell leader, Raymond Freeze, led the high school in a few yells. A few popular songs were chosen to sing during the year.

A Smashing Romance Laid on a Penal Isle

"THE RED MARK"

With

Nena Quartaro and Gaston Glass

FATHER AND SON—one the executioner, the other a convict whom he hated—a tragic story of love on a penal island. THE EXECUTIONER swayed the destiny of a boy and girl. He did not know until the end that the boy with the red mark was his own son, while she—pre-eminently the most dramatic picture of the season. TOLLING bells—shuffle of numbered prisoners—rattling of chains—creaking of planks—dark messengers of death—these are only a few of the elements that make up this dramatic story of love on a penal island, the greatest picture of the year.
