The Wright Idea

With

Louise Lorraine and Edmund Breese

L. Hines Busy!

He's the busiest man in town. Busy making ink that won't blot. Busy making love to a girl who thinks he's a crook. Busy making rum runners run, and jamming a thousand laughs into six reels of the choicest of screen entertainment. You'll see more funny situations than in any comedy Johnny ever made. First he's an inventor, dabbling in ink. Then he's Chief Mirth Mate on the S. S. Comedy. Then he's speeding beyond the three-mile limit, cutting up with the Coast Guard cutters. Come along for the ride of your life!

RED HAIR

With

Clara Bow

Lance Chandler and Lawrence Grant

Elinor Glyn Says:

"People with RED HAIR have pep, push and personality, that captivating "IT" complex in its most virulent form." What do you think? There's more where "IT" came from and something new too. Clara Bow knows her American Flapper and she has Red Hair. The heart of the Gold-Digger isn't made of gold after all, and Why! Here She Is Again! The "IT" girl with Red Hair personality, stepping high, wide, and handsome! You'll shriek with glee when you see her chased by every man in the neighborhood—and makes them like it! Then her ideal—a red head, too! Come see the battle of the Red Heads!
