**Editorial**  
Basketball season is here. We have just finished a successful football season, winning more of the games than we lost, but in basketball we are out to win all of the games. The girls basket ball team this year shows evidence of being a very good one and should be able to stand up against any of the girls teams of the high schools of this size. The boys also have a good basketball team, and under "Pike" Miller's able coaching the boys and girls expect to push on to victory in their games.

**Faculty**  
Miss Brodie spent the week-end visiting friends at Toppenish, Washington.

Miss Bateman spent Thanksgiving vacation at her home in Milton.

Mr. and Mrs. Frederick were in Walla Walla Friday evening.

**Girls Athletics**  
The first girls basketball game of the season will be played here Friday night with Adams. As none of the girls has a definite position on the team, coach Miller will give all the girls a chance to play.

**Boys Athletics**  
The boys basketball team is looking forward to a hard fought game which is to be played with Adams, Friday, December 7, on the home floor.

Eddie Buck, formerly of Whitman College and star basketball player, will officiate. Eddie Buck has a very good record and has been hired by the school to be the official for the year. The school has much faith in his decisions.

Coach Miller has not given any information as to the form and condition of the team, only that they are expecting a hard game.

**Classes**  
A freshman class meeting was held Monday, December 3, for the purpose of collecting class dues which some of the freshmen had not paid.

**1st and 2nd Grades**  
Miss Bryant was a dinner guest of Mr. and Mrs. W. C. Garfield Thanksgiving day.
