Removing the If's  
If we didn't hand in our daily assignments,  
If we didn't make up our back assignment,  
If we didn't support our student government,  
If we didn't support our teams and other school activities,  
If we bluffed our way through school,

If we skipped our classes,  
If we defaced school property,  
If none of us bought a student ticket,  
If we knocked the school and the teachers,  
If we kept the class average down because of our low grades,  
If we refused to support the school annual,  
If everyone scattered bits of paper on the study hall floor,  
If everyone made a nuisance of himself,  
What kind of a school would Athena High School be? What kind of men and women would Athena send out into the world?

**WE MAKE INSURANCE A BUSINESS NOT A SIDE LINE**

When you have a loss you need an insurance man, not merely an Agent. We write a grain policy that will cover your grain in any mill, warehouse, platform—any place on your premises, or any county in the State or adjoining state up to December 31st without endorsement or increase in rate. No other company does it. Let us explain Owners, Landlords and Tenants coverage. If you have a cross dog or help about your home you need this coverage at \$7.50. A safe-guard against all accidents about your home. We give prompt and efficient service to all losses. We know how. It is a business, a profession, not a side line. B. B. RICHARDS.

**Rheumatic Pains**

Many rheumatic and sciatic pains are due to impurities and toxins in the blood because of poorly functioning kidneys. Sedatives, dopes and powerful drugs give only temporary relief and do not remove the cause. If you suffer stiffness, joint aches and rheumatic pains, get the new, quick-acting Cystex Test at any drug store. No sedatives or narcotics. If you don't soon feel free of pain and like new, you get your money back under our Iron-Clad, Money Back Guarantee. Cystex, special, only 60c. At McFadden's Pharmacy.

**SHERIFF'S SALE**  
NOTICE IS HEREBY GIVEN, That under and by virtue of a Writ of Execution issued out of the Circuit Court of the State of Oregon, for Umatilla County, under the hand of the clerk and the seal thereof and to me directed and delivered upon a judgment and decree rendered and entered in said court on the 23rd day of March, 1929, in favor of L. D. Johnson, and against A. A. Laird and Cecile Laird, his wife, Eugene Hales and Archie A. Laird, whereby plaintiff did recover a joint and several judgment and decree against said A. A. Laird and Cecile Laird, his wife, for the sum of \$740.26, with interest thereon from the 27th day of June, 1927, at the rate of 8 per cent per annum and the further sum of \$26.12 taxes, \$100 reasonable attorney fees and plaintiff's costs and disbursements of said suit, taxed at \$51.85, and whereby it was decreed that a certain mortgage to said A. A. Laird and Cecile Laird, his wife, to the Bank of Stanfield, a corporation, which duly assigned the same to F. A. Baker, who thereafter assigned said mortgage to this plaintiff on the 12th day of May, 1926, and recorded on page 76 of Book 85 of the Mortgage Records of Umatilla County, State of Oregon, be foreclosed and the property therein described, to-wit:

The Southeast Quarter of Section Twenty, in Twp. Four, North of Range 29, East of the Willamette Meridian, Oregon, containing 160 acres, should be sold and the proceeds applied to the payment and satisfaction of said judgment and costs and disbursements of sale, and that plaintiff's recovery is limited to the amount for which said property is sold. Now, therefore, I will on the 4th day of May, 1929, at the hour of 2 o'clock in the afternoon of said day at the west door of the County Court house in the City of Pendleton, Umatilla County, State of Oregon, sell all the right, title, interest and estate, which the defendants A. A. Laird, Cecile Laird, his wife, Eugene Hales and Archie A. Laird, or any of them, and all interest through or under them claiming by, through or under them, or any of them, had on the 23rd day of March, 1929, or have since acquired therein, or now have in or to the above described real property and every part thereof at public auction to the highest and best bidder for cash in hand. **Suddenly, out of a spring sky...**

ALL was well on the telephone front on April 27, 1928. Suddenly, out of a spring sky, rain began to fall, and as night came on this turned into a furious storm of sleet, snow and wind. In 48 hours, 3700 telephone poles and 7000 miles of wire were down; 39 exchanges were isolated; 11,000 telephones were silent.

Repair crews were instantly sent to the scene. In record time 1000 men from five states were on the job. Within 72 hours the isolated exchanges and telephones were back in service.

In any crisis there are no state lines in the Bell System. In all emergencies of flood or storm, as well as in the daily tasks of extending and maintaining the nation-wide network, is seen the wisdom of One Policy, One System, Universal Service.

**Athletics**  
Adams turned the tables on the Athena baseball team Tuesday when, with a rally in the last two innings, they defeated the Athena high nine. Adams was held scoreless till the sixth inning when they brought in one run. In the meantime Athena had pounded the Adams pitcher for six runs. In the seventh and eighth Adams tied the score by bunching hits with erratic fielding by the Athena team. The score remained the same till the first of the ninth when Athena put two runs across the rubber, but in the last of the ninth Adams scored three runs to sew up the game. Athena will play the Weston nine this Friday, April 12, at Athena.

April 19th at Weston  
The sectional track and field meet of the schools of this district will be held at Weston next Friday, April 19. According to W. E. King of Helix, sectional director, all participants will be given a heart examination at 9 a. m. April 19 as an added safeguard this year. At the same hour, entries will be classified according to the rules and regulations. The Weston schools will serve a light lunch at noon for the grades. Mr. King advises, however, that all the competing schools bring lunch "and make a picnic day of it."

The Leader says the Weston Commercial association has been requested to put up cups or prizes or some other suitable trophies for the one-room school making the most points; the two or more room school making the most points, and for the high school winning the meet. Individual medals for the high point winners in the grades and high schools are also suggested as a means of stimulating interest among the young contestants.
